"WASTEWSATER TREATMENT PLANT EXPANSION NO. 1, REORGANIZATION"

This reorganization was previously recorded on July 25, 2008, Document No. 2008-0106638. A slight error on the map and legal description was recently discovered and this re-recording is to correct the map and legal description.

CERTIFICATE OF COMPLETION
FRESNO COUNTY LOCAL AGENCY FORMATION COMMISSION

The Fresno Local Agency Formation Commission waived the Conducting Authority proceedings.

The names of the agencies whose territory is changed and the type of change for each are:

Annexation to the City of Mendota and detachment from the Fresno County Fire Protection District and the Silver Creek Drainage District.

The County in which the entire boundary change occurred is Fresno County.

The short title of the reorganization proceeding is "Wastewater Treatment Plant Expansion No. 1 Reorganization", LAFCo File No. RO-08-3.

The affected territory is uninhabited.

The change of organization was ordered without an election, and Resolution No. RO-08-3 ordering the change of organization was adopted by the Fresno Local Agency Formation Commission on March 5, 2008.

A **corrected map and legal description** of the territory affected by the reorganization is set forth in the attached Exhibit "A".

The conditions of approval of the reorganization have been complied with as follows:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.
2. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.
3. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.
4. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.
5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

I, Jeff Witte, Executive Officer of the Fresno County Local Agency Formation Commission, hereby certify that the attached legal description, map, and terms and conditions of the change of organization do comply with the Commission's resolution of approval.

JEFF WITTE, EXECUTIVE OFFICER
FRESNO LOCAL AGENCY FORMATION COMMISSION

Dated: October 26, 2010

We don't have a set policy for minor clerical errors. When they occur, and they do, we usually pencil them in or attach a document explaining the error. If the file was not yet submitted to our office, then we prefer a correct copy of the map and description. If the file was already submitted then documentation, such as a print out of your email, will be added to the file. If the error is significant, then an updated map and legal is necessary.

Dave,

Jeff O'Neal contacted our office regarding an error that had been made on the map and legal for the Mendota Waste Water Treatment Plant. Apparently there was a very small privately owned sliver of land (as shown on the attached) that was erroneously included with the City annexation.

I just talked to Jeff Witte, and he agrees that this is a clerical-type error and there is no need to go back to the Commission. However, it is an error that needs to be corrected. I will contact the State Board of Equalization to see what their process is for correcting such errors. In the meantime, I will ask Jeff O'Neal to submit a corrected map and legal for your approval and we can go from there.

"WASTEWATER TREATMENT PLANT EXPANSION NO. 1" REORGANIZATION

CERTIFICATE OF COMPLETION
FRESNO COUNTY LOCAL AGENCY FORMATION COMMISSION

The Fresno Local Agency Formation Commission waived the Conducting Authority proceedings.

The names of the agencies whose territory is changed and the type of change for each are:

Annexation to the City of Mendota and detachment from the Fresno County Fire Protection District and the Silver Creek Drainage District.

The County in which the entire boundary change occurred is Fresno County.

The short title of the reorganization proceeding is "Wastewater Treatment Plant Expansion No. 1 Reorganization", LAFCo File No. RO-08-3.

The affected territory is uninhabited.

The change of organization was ordered without an election, and Resolution No. RO-08-3 ordering the change of organization was adopted by the Fresno Local Agency Formation Commission on March 5, 2008.

A legal description of the territory affected by the reorganization is set forth in the attached Exhibit "A".

The conditions of approval of the reorganization have been complied with as follows:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.
2. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.
3. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.
4. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.
5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

2

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

I, Rick Ballantyne, Executive Officer of the Fresno County Local Agency Formation Commission, hereby certify that the attached legal description, map, and terms and conditions of the change of organization do comply with the Commission's resolution of approval.

RICK BALLANTYNE, EXECUTIVE OFFICER
FRESNO LOCAL AGENCY FORMATION COMMISSION

Dated: July 25, 2008

CERTIFICATE OF COMPLETION
FRESNO COUNTY LOCAL AGENCY FORMATION COMMISSION

The Fresno Local Agency Formation Commission waived the Conducting Authority proceedings.

The names of the agencies whose territory is changed and the type of change for each are:

Annexation to the City of Mendota and detachment from the Fresno County Fire Protection District and the Silver Creek Drainage District.

The County in which the entire boundary change occurred is Fresno County.

The short title of the reorganization proceeding is "Wastewater Treatment Plant Expansion No. 1 Reorganization", LAFCo File No. RO-08-3.

The affected territory is uninhabited.

The change of organization was ordered without an election, and Resolution No. RO-08-3 ordering the change of organization was adopted by the Fresno Local Agency Formation Commission on March 5, 2008.

A legal description of the territory affected by the reorganization is set forth in the attached Exhibit "A".

The conditions of approval of the reorganization have been complied with as follows:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.
2. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.
3. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.
4. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.
5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

I, Rick Ballantyne, Executive Officer of the Fresno County Local Agency Formation Commission, hereby certify that the attached legal description, map, and terms and conditions of the change of organization do comply with the Commission's resolution of approval.

NOTIFICATION OF COMMISSION ACTION, AND CHECKLIST FOR COMPLETION OF LAFCO PROCEEDINGS

Fresno Local Agency Formation Commission (LAFCo)
2115 Kern Street, Suite 310, Fresno, CA 93721
Phone: (559) 495-0604 FAX: (559)495-0655

PROPOSAL: "WASTEWATER TREATMENT PLANT EXPANSION"

The above proposal has been approved by the Commission and the Conducting Authority (Protest Hearing) Proceedings have been waived. Once the mandatory 30-day waiting period during which time any person may request the Commission to reconsider its action approving a proposal has passed, the proceedings may be completed.

In order for us to complete the proceedings, please forward the following items.

- [x] Corrected Maps and Legal Descriptions.
- [ ] Evidence of compliance with all conditions of approval, if applicable. (See attached EVIDENCE OF COMPLIANCE WITH LAFCO CONDITIONS form.)
- [ ] Check made payable to State Board of Equalization for fees. A fee is required if property tax revenue is to be exchanged, or if a separate tax rate delineator is needed to collect a special assessment. The fee for your proposal is: $2,000.00
- [ ] The following information required by the State Board of Equalization for all city annexations:

    1. An alphabetical listing of all existing streets within the affected area to include beginning and ending street numbers. If a street is on the border of the affected area, indicate if the odd or even numbers are in the affected area.

    2. Two copies of Maps of the city boundary change showing existing streets and limiting street address ranges.

    3. Two copies of Vicinity or Location maps showing the City boundary in relation to annexation area.

    4. Estimated current population of city boundary change area: _____

    The city has the option of also filing a Department of Finance Housing Unit change form to inform them immediately of annexation completions involving a population change and thus obtain faster changes for population gain. Contact the State Department of Finance to obtain the appropriate form.

☐ A copy of the City's Certificate of Land Conservation Contract Termination adopted pursuant to Section 51243.5 of the Gov. Code, including a legal description of the land for which the City terminates the Contract, all to be recorded with the County Recorder at the same time as LAFCo files and records the Certificate of Completion.

■ A Master Street Address Guide Change Request form if street names or addresses will change. If you have any questions regarding this form, please contact Sheila LaPonte at 488-1614.

(Please attach a copy of this form when submitting the documents above for completion.)

PROPOSAL: "WASTEWATER TREATMENT PLANT EXPANSION"

A. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.

B. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.

C. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.

D. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.

5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

CITY VERIFICATION

I hereby certify that all of the above actions have been taken by the City of Mendota in compliance with the terms and conditions of the Commission's approval of the above proposal (to be completed by authorized City representative).

BEFORE THE CITY COUNCIL
OF THE
CITY OF MENDOTA, COUNTY OF FRESNO

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENDOTA APPROVING THE ADOPTION OF A RESOLUTION OF APPLICATION FOR ANNEXATION AND SPHERE OF INFLUENCE EXPANSION NO. 07-02 AN ANNEXATION TO THE CITY OF MENDOTA AND DETACHMENT FROM THE SILVER CREEK DRAINAGE DISTRICT, AND THE FRESNO COUNTY FIRE PROTECTION DISTRICT

RESOLUTION NO.08-20

WHEREAS, at a regularly held meeting on December 11, 2007, the Mendota City Council did consider Annexation No. 07-02 for the City of Mendota Wastewater Treatment Plant Expansion and Improvement Project pursuant to the Local Government Reorganization Act of 2000 for the purpose of sphere of influence expansion and annexation to the City of Mendota and detachment from the Silver Creek Drainage District, and the Fresno County Fire Protection District; and

WHEREAS, the City Council determined that the proposal is consistent with the Mendota General Plan, as amended. The General Plan designates the area of reorganization for urban uses as Public Facilities and the territory has been Pre-Zoned Public Facilities, consistent with the land use designation; and

WHEREAS, the boundaries of the territory proposed for reorganization are set forth in Exhibit "A" and "B" attached hereto and by this reference incorporated herein Fresno County Assessor's Parcel Numbers, 013-050-21, 013-050-30, 013-020-30T, 013-050-58S, 013-050-59S, 013-050-60S, 013-050-61S, 013-050-63S, 013-050-64S, 013-030-65S, 013-050-66S, 013-050-67S, 013-050-68S, 013-050-69S, 013-050-71S, 013-050-72S, 013-050-73S; and

WHEREAS, this proposal also requires the expansion of the adopted Sphere of Influence of the City of Mendota and is adjacent to the City Limits of the City of Mendota; and

WHEREAS, the City has completed an Initial Study/Mitigated Negative Declaration and has determined that the proposal will not have an adverse effect on the environment and, therefore, a no EIR has been prepared for the project; and

WHEREAS, the Initial Study and Mitigated Negative Declaration contains no evidence that the proposal will individually or cumulatively have an adverse effect on wildlife resources as defined by Section 711.2 of the Fish and Game Code; and

WHEREAS, said proposal is made to facilitate urban development as planned by the Mendota General Plan and to achieve stated community goals and objectives for providing municipal wastewater collection, treatment and disposal that will enable

the City to foster and promote needed housing while assuring that growth occurs in an orderly manner.

NOW, THEREFORE, BE IT RESOLVED that the Mendota City Council hereby adopts the Resolution of Application, to be forwarded to the Fresno Local Agency Formation Commission, requesting that proceedings be conducted pursuant to the Local Government Reorganization Act of 2000 for Sphere of Influence and Annexation No 07-02.

Robert Silva, Mayor

A RESOLUTION OF THE CITY OF MENDOTA RESCINDING RESOLUTION NO. 08-09 APPROVING THE ADOPTION OF A RESOLUTION OF APPLICATION FOR ANNEXATION AND SPHERE OF INFLUENCE EXPANSION NO. 07-02 AN ANNEXATION TO THE CITY OF MENDOTA AND DETACHMENT FROM THE KINGS RIVER CONSERVATION DISTRICT, THE SILVER CREEK DRAINAGE DISTRICT, THE CONSOLIDATED IRRIGATION DISTRICT, AND THE FRESNO COUNTY FIRE PROTECTION DISTRICT

RESOLUTION NO. 08-18

WHEREAS, at a regularly held meeting on February 12, 2008, the Mendota City Council did consider Annexation No. 07-02 for the City of Mendota Wastewater Treatment Plant Expansion and Improvement Project pursuant to the Local Government Reorganization Act of 2000 for the purpose of sphere of influence expansion and annexation to the City of Mendota and detachment from the Kings River Conservation District, the Silver Creek Drainage District, the Consolidated Irrigation District, and the Fresno County Fire Protection District; and

WHEREAS, the City Council did approve Resolution 08-09 approving an application for annexation and increase in sphere of influence for that purpose; and

WHEREAS, the City inadvertently detached from the Kings River Conservation District ("KRCD") and the Consolidated Irrigation District; and

WHEREAS, several APN's for that resolution were inadvertently left off the resolution, were repeated in the resolution or were incorrectly identified in the resolution; and

WHEREAS, the City wishes the Local Formation Committee ("LAFCO") to have the complete and correct APN's to properly review the City's request for annexation and increase in the sphere of influence; and

WHEREAS, the Council has determined that the easiest way to do so is to rescind Resolution 08-09 and adopt another Resolution which includes the correct and complete information required by LAFCO.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Mendota hereby finds and orders as follows:

1. The above recitals are true and correct.

2. Resolution No. 08-09 is hereby rescinded.

3. The Resolution is effective immediately.

RESOLUTION NO. 08-19

WHEREAS, the City of Mendota has processed the City project of the Wastewater Treatment Plant Expansion and Improvement Project for a General Plan Amendment and Pre-Zoning, and,

WHEREAS, the City of Mendota has processed the General Plan Amendment application for the property,

WHEREAS, the City Community Development Department has processed the project in accordance with the Mendota Municipal Code, and,

WHEREAS, The City of Mendota General Plan Land Use Map for the property is inconsistent with the adjacent land uses and amendment to the General Plan Land Use Map has been proposed by the City to allow the expansion and improvement of the existing Wastewater Treatment Plant; and,

WHEREAS, the City of Mendota determined that the amendment of the General Plan did constitute a project under the California Environmental Quality Act and an Initial Study/Mitigated Negative Declaration was prepared, and,

WHEREAS, a Public Hearing was noticed in accordance with State Law for the May 27th, 2008 City Council meeting, and,

NOW, THEREFORE, the City Council of the City of Mendota hereby finds and resolves as follows:

Findings:

1. The proposed amendment to the Mendota General Plan provides for the orderly development of the City;

2. The proposed amendment will reduce potential land use conflicts of the existing agricultural and heavy industrial designation of the property and the surrounding residential dwelling units and ;
3. The proposed amendment will provide for the expansion of pubic infrastructure;
4. The proposed amendment addresses the need to balance growth in various locations in the City;
5. The proposed amendment is consistent with the General Plan Housing Element and provides for the necessary infrastructure for the City to achieve a jobs housing balance for residents of the City;
6. The proposed land use can be served by reasonable extensions of City infrastructure and services;
7. The proposed amendment addresses the need to provide additional land in the City to accommodate the increase demand on the Wastewater Treatment Plant to meet the population growth projections of the City.

Evidence

Evidence for the above findings are contained in the staff reports presented to the City Council and public testimony presented at the public hearing.

CITY OF MENDOTA

ORDINANCE NO. 08-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MENDOTA RESCINDING ORDINANCE NUMBER 07-07 AND AMENDING THE OFFICIAL ZONING MAP OF THE CITY OF MENDOTA BY PRE-ZONING PARCELS 013-050-21, 013-050-30, 013-020-30T, 013-050-58S, 013-050-59S, 013-050-60S, 013-050-61S, 013-050-63S, 013-050-64S, 013-030-65S, 013-050-66S, 013-050-67S, 013-050-68S, 013-050-69S, 013-050-71S, 013-050-72S, AND 013-050-73S FROM AG (AGRICULTURAL) AND HI (HEAVY INDUSTRIAL) DISTRICTS TO PF (PUBLIC FACILITIES) DISTRICTS.

WHEREAS, at a regularly scheduled meeting on December 11, 2007, the Mendota City Council did consider an ordinance to amend the official zoning map of the City of Mendota by pre-zoning named parcels in order to facilitate those APN's to be annexed by the Fresno Local Area Formation Commission ("LAFCO"); and

WHEREAS, the Council did approve such ordinance at a properly noticed public hearing on January 22, 2008; and

WHEREAS, several APN's for that ordinance were inadvertently omitted in the ordinance, were repeated in the ordinance or were incorrectly identified in the ordinance; and

WHEREAS, the City wishes the Official City Zoning Map to accurately reflect those APN's involved in the pre-zoning application to LAFCO by rescinding previous ordinance no. 07-07, and replacing it with this particular ordinance; and

WHEREAS, the City Council of the City of Mendota has determined that it is in the Public's interest to amend the Official Zone Map of the City of Mendota related to Parcel No(s). 013-050-21, 013-050-30, 013-020-30T, 013-050-58S, 013-050-59S, 013-050-60S, 013-050-61S, 013-050-63S, 013-050-64S, 013-030-65S, 013-050-66S, 013-050-67S, 013-050-68S, 013-050-69S, 013-050-71S, 013-050-72S, and 013-050-73S at the recommendation of the City Manager, and;

WHEREAS, a Public Hearing has been advertised and conducted pursuant to the Mendota Municipal Code, and public comment has been solicited.

WHEREAS, all property owners within a 300 feet radius of the property were notified of the public hearing by U.S. Postal Service regular mail, as determined by the current Fresno County Assessor's Tax Roll.

WHEREAS, Notice of the Public Hearing was published in the Wednesday, May 14, 2008 edition of the Firebaugh/Mendota Journal, and also posted on the City Hall Bulletin

Window on Wednesday, May 14, 2008.

WHEREAS, the City Council has determined that the Pre-Zoning is consistent with the provisions of the City of Mendota General Plan, Land Use Elements and Government Code Section 65860, and;

WHEREAS, a Public Hearing has been advertised and conducted pursuant to the Mendota Municipal Code, and public comment has been solicited by the City Council, and;

WHEREAS, the City Council conducted a noticed and scheduled public hearing to consider Pre-Zoning the property at their regularly scheduled May 27, 2008 meeting, and;

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF MENDOTA ORDAINS AS FOLLOWS:

1. Ordinance number 07-07 is hereby rescinded.

2. The official Zoning Map of the City of Mendota is hereby amended as show on Exhibit A, which is herein incorporated by reference and made a part of Ordinance No. 08-04.

3. At least five (5) days prior to the City Council meeting at which the proposed Ordinance is to be adopted, a summary prepared by the City Attorney, shall be published and circulated in the City of Mendota, and a certified copy of the Ordinance shall be posed in the Office of the City Clerk.

4. Within fifteen (15) days after its adoption, a Summary of the Ordinance, prepared by the City Attorney, together with the names of those City Council members voting for and against the Ordinance, shall be published in a newspaper of general circulation published and circulated in the City of Mendota, and a certified copy posted in the Office of the City Clerk.

5. This Ordinance shall take effect thirty (30) days after its passage.

AGT. # 08 - 345

FIRST AMENDMENT TO RESTATED MEMORANDUM OF UNDERSTANDING BETWEEN THE COUNTY OF FRESNO, THE CITY OF MENDOTA AND THE MENDOTA REDEVELOPMENT AGENCY

THIS FIRST AMENDMENT TO RESTATED MEMORANDUM OF UNDERSTANDING is made this 8th day of ~~May~~ July, 2008 by the County of Fresno (hereinafter "COUNTY"), the City of Mendota (hereinafter "CITY"), and the Mendota Redevelopment Agency (hereinafter "RDA").

RECITALS

A. On February 7, 2006, COUNTY, CITY and RDA entered into a Restated Memorandum of Understanding relating to, among other things, the sharing and apportionment of certain tax revenues.

B. The CITY is proposing to expand its Planned Growth Area for the Waste Water Treatment Plant, including the annexation of Pool Park and needs to add territory to this site.

C. The CITY has applied for grant funding with the U. S. Department of Agriculture to expand and improve its Waste Water Treatment Plant

D. The U. S. Department of Agriculture requires that the Waste Water Treatment Plant site be annexed to the CITY.

E. The CITY submitted an application to the Fresno County Local Agency Formation Commission (LAFCO) to annex said territory. On March 5, 2008 LAFCO approved the annexation of this site, subject to the including of all required territory under the Restated MOU between the COUNTY, CITY and RDA.

NOW, THEREFORE, the parties hereto agree as follows:

AGREEMENT

1. A revised map included herewith as Exhibit 3-C will amend Exhibit 3-B previously included in the Restated MOU
2. Section 9.2 of the Restated MOU is revised to read as follows"

"9.2 Geographic Application of RESTATE MOU

This RESTATED MOU shall apply only to the areas identified as the City of Mendota's Sphere of Influence as depicted in Exhibit 3-A and the New Planned Growth Area as shown on 3-C. This RESTATED MOU shall not apply to areas beyond those included in Exhibits 3-A and 3-C unless and until the parties mutually agree to amend this RESTATED MOU as amended.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment in the County of Fresno, State of California, on the dates set forth above.

INDEMNIFICATION AGREEMENT
(FRESNO LOCAL AREA FORMATION COMMISSION – CITY OF MENDOTA)

THIS AGREEMENT is made and entered into this 11th day of June 2008 (the "Effective Date"), by and between the LOCAL AGENCY FORMATION COMMISSION OF FRESNO COUNTY (hereinafter "LAFCo") and the CITY OF MENDOTA (hereinafter "APPLICANT").

RECITALS:

A. Pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Gov. Code, secs. 56000 *et seq.*), APPLICANT has applied to LAFCo for approval of a governmental reorganization, identified by the LAFCo as "City of Mendota Wastewater Treatment Plant Expansion No. 1 Reorganization," LAFCo file number RO-08-3 (hereinafter, the "Reorganization"); and

B. The Reorganization annexes 17 parcels of land totaling 463.19 acres located in four non-contiguous areas into APPLICANT's jurisdiction and detaches the territory from the Fresno County Fire Protection District and the Silver Creek Drainage District. The territory is generally located northeast of APPLICANT's existing boundaries between the San Luis Drain and the Fresno Slough. The annexed land is more fully described in the accompanying map, attached hereto as Exhibit "A," and incorporated herein by this reference; and

C. Concurrently with the Reorganization, the APPLICANT requested, and the Commission approved, an amendment to APPLICANT's Sphere of Influence to include the subject territory, file number RSOI-150;

D. The Reorganization and the amendment of APPLICANT's Sphere of Influence allow APPLICANT's current and future sewer treatment plant, wastewater ponding areas, and other public facilities to be incorporated into APPLICANT's boundaries; and

E. The Reorganization and the amendment to APPLICANT's Sphere of Influence also are necessary to accommodate expansion of APPLICANT's wastewater treatment plant, which is in part caused by population growth to the area and for APPLICANT to meet certain requirements imposed by the Regional Water Quality Control Board; and

G. On March 5, 2008, following public hearings and after consideration all evidence, LAFCo made certain findings, determinations, and approvals reflected in LAFCo resolution number RO-08-3 (hereinafter the "LAFCo Resolution"), attached hereto as Exhibit "B," and incorporated herein by this reference, in connection with the Reorganization, and determined that APPLICANT met, by substantial evidence,

all legal requirements contained in the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Gov. Code §56000 *et seq.*); and

H. LAFCo's approval of the Reorganization was conditioned on APPLICANT entering this Agreement; and

I. APPLICANT acknowledges that there are frequent challenges to governmental approvals, which may expose LAFCo to liability for damages, costs, and attorney's fees; and

J. LAFCo is an objective decision-making body and, therefore, has no special interest, other than the public's interest, in the approval or denial of applications for reorganization, or the outcome of litigation arising from the granting or denial of applications for reorganization; and

K. LAFCo incurs great expense in the active defense of such litigation and, if unsuccessful, may also be required to pay the prevailing party's attorney's fees and costs; and

L. The public's interest and sound fiscal policy require that the person or entity receiving the benefits of such governmental approvals bear the burden of the liability for potential injuries and the expense of such litigation; and

M. APPLICANT and LAFCo mutually desire to enter into this Agreement, by which APPLICANT shall indemnify, defend, save and hold LAFCo harmless, as provided herein, to ensure that LAFCo shall bear no fiscal or financial burden whatsoever resulting from any challenge, which includes, but is not limited to, LAFCo's approval of the Reorganization.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Parties hereby agree as follows:

1. DEFINITIONS. As used in this Agreement the following terms shall have the following definitions:

a. "APPLICANT" is the City of Mendota, California and it heirs, assigns or successors in interest;

b. "LAFCo Approval" shall include any act or omission or benefit arising from or in connection with any or all of LAFCo's consideration and approval of the Reorganization or the amendment of APPLICANT's Sphere of Influence related thereto.

2. INDEMNIFY, DEFEND, AND HOLD HARMLESS

a. APPLICANT hereby agrees to save, indemnify, hold harmless and, at LAFCo's request, defend LAFCo, and LAFCo's officers, agents, employees,

contractors, legal counsel, commissioners and alternate commissioners, from and against any and all expenses, demands, liabilities, judgments, claims, and costs (including but not limited to court costs and attorney's fees), or damages of any nature whatsoever made against LAFCo, including, but not limited to, an award of attorney's fees and costs to the person, organization or entity bringing the cause of action, or their officers, agents, employees, and legal counsel arising from, resulting from, or in connection with the LAFCo Approval.

b. APPLICANT shall pay all attorneys' fees and costs related to the representation of LAFCo in any action brought against LAFCo, and APPLICANT, if the action also includes APPLICANT, arising from, resulting from, or in connection with the LAFCo Approval.

3. NOTIFICATIONS AND COOPERATION. Within thirty (30) business days of its receipt of any demand, claim, action, proceeding, or litigation related to the Reorganization, LAFCo shall notify and request the APPLICANT that it demands to be indemnified, defended, and held harmless by APPLICANT pursuant to this Agreement. Such notice shall include a copy of any complaint, filing, or other documentation received by LAFCo directly relating to such demand, claim, action, proceeding or litigation. For the purposes of this Section, such documentation shall not include LAFCo's file or materials related to the Reorganization. Within ten (10) days of receipt of such a request, APPLICANT shall notify LAFCo of its intent to indemnify, defend and hold LAFCo harmless, and shall, if necessary, immediately reply, on behalf of LAFCo, to any pleadings or correspondence related to such demand, claim, action, proceeding, or litigation. LAFCo hereby agrees to reasonably cooperate with APPLICANT to the extent such cooperation may be reasonably necessary for APPLICANT to carry out its responsibilities under this Agreement; provided, such cooperation shall not result in any fiscal or financial burden whatsoever to LAFCo. Conversely, APPLICANT agrees to cooperate with LAFCo and to engage competent and qualified legal counsel to carry out its responsibilities under this Agreement.

4. LAFCo'S RIGHT TO PARTICIPATE IN DEFENSE. Nothing contained herein shall prohibit LAFCo, in its sole discretion, from participating in the defense of any demand, claim, action, proceeding, or litigation over and above representation by outside counsel provided by APPLICANT or from participating in the defense of any demand, claim, action, proceeding, or litigation. If LAFCo elects to participate in the defense, it shall do so in good faith and shall bear its own cost for such participation in the defense; provided, that APPLICANT shall timely reimburse LAFCo of all fees and costs paid by LAFCo to LAFCo's legal counsel for any time and costs on matters relating to APPLICANT's defense of LAFCo (including, but not limited to communications with APPLICANT and APPLICANT's legal counsel), in addition to those obligations imposed upon APPLICANT in Section 2 of this Agreement. In no event shall LAFCo's participation in the defense of any demand, claim, action, proceeding, or litigation affect the obligations imposed upon APPLICANT in Section 2 of this Agreement.

5. REIMBURSEMENT OF LAFCO'S COSTS FOR ADMINISTRATIVE RECORD. Without limiting LAFCo's right to recover its costs from APPLICANT under Section 2 of this Agreement, APPLICANT agrees to reimburse LAFCo for its actual cost incurred, including, but not limited to, LAFCo staff and legal counsel time expended, for certifying and/or preparing the administrative record in connection with any proceedings related to the subject matter of this Agreement. APPLICANT shall pay such cost to LAFCo before receiving such administrative record.

6. TERMINATION OF AGREEMENT. This Agreement may be terminated only upon the following conditions:

a. The Parties, by their express, mutual, written consent, agree to terminate this Agreement; or

b. APPLICANT petitions LAFCo to terminate this Agreement by providing to LAFCo a written opinion of APPLICANT's legal counsel, in form and substance acceptable to LAFCo and its legal counsel, and LAFCo, in its sole reasonable discretion, determines that termination of this Agreement is in the best interest of the public and LAFCo. It is understood and agreed that LAFCo, in making the determination of whether or not to terminate this Agreement, may reasonably rely upon said opinion of APPLICANT's legal counsel.

7. APPLICANT'S AUTHORITY TO EXECUTE AGREEMENT. APPLICANT represents and warrants to LAFCo that the execution, delivery and performance by APPLICANT of this Agreement have been duly authorized by all necessary actions on its part, and that each person executing or attesting to this Agreement on behalf of APPLICANT is duly authorized by APPLICANT's City Council to take such action, and that such person's authority has not been revoked at the time of such execution or attestation.

8. SEVERABILITY. If any provision of this Agreement is determined to be invalid in a final judgment by a court of competent jurisdiction, each and every other provision hereof shall remain in full force and effect.

9. EFFECT OF HEADINGS. The titles of the articles, paragraphs, subparagraphs, and other parts of this Agreement are for the convenience of the reader only, and no presumption or implication of the intent of the Parties as to the construction of this Agreement shall be drawn therefrom.

10. COUNTERPARTS. This Agreement may be executed in any number of counterparts and each such counterpart shall be deemed to be an original instrument, all of which together shall constitute one and the same instrument.

11. ASSIGNMENT. No Party to this Agreement may assign all or any part of this Agreement, or any interest therein, or delegate all or any part of its obligations under this Agreement without the prior written consent of the other Party to this Agreement.

12. BINDING EFFECT. Subject to the provisions of Paragraph 11 of this Agreement, the provisions of this Agreement, and the covenants and conditions contained in this Agreement, shall be continuous and shall be binding upon and inure to the benefit of the heirs, successors, and assigns of the Parties to this Agreement.

13. NOTICES. Except as otherwise expressly provided in this Agreement, all notices, requests, demands, and other communications required under this Agreement shall be in writing and shall be deemed to have been given (i) on the date of service, if served personally on the person to whom notice is to be given, (ii) on the date of receipt, if sent by telecopier to the person to whom notice is to be given at the telecopier number set forth below, or (iii) on the third day after mailing, if mailed to the person to whom notice is to be given, by first class mail, postage prepaid, and properly addressed as follows:

Any Party or designated recipient may change his address for purposes of this Paragraph 13 by giving written notice of such change to the other Party and/or designated recipients in the manner provided for in this Paragraph 13.

14. GOVERNING LAW AND VENUE. This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Parties to this

Agreement agree that venue for any litigation arising under this Agreement shall be in the County of Fresno, State of California.

15. CONSTRUCTION. All words used in this Agreement shall be construed to include the plural as well as the singular number and vice versa, all words used in this Agreement in the present tense shall include the future as well as the present, and all words used in this Agreement in masculine gender shall include the feminine and neuter genders, whenever the context so indicates.

16. ENTIRE AGREEMENT. This Agreement, together with all exhibits attached hereto, constitutes the entire agreement between the Parties relating to the Reorganization and supersedes all prior and contemporaneous agreements, representations, and understandings of the Parties with regard thereto. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all of the Parties to this Agreement.

17. FURTHER ACTION. The Parties to this Agreement shall execute such other documents, and shall take such other actions, as may be necessary or appropriate to carry out the foregoing.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.

RESOLUTION NO. RO-08-3

FRESNO LOCAL AGENCY FORMATION COMMISSION
FRESNO COUNTY, CALIFORNIA

A REQUEST BY THE CITY OF MENDOTA FOR APPROVAL OF THE "WASTEWATER TREATMENT PLANT EXPANSION No. 1" REORGANIZATION	))))	**APPROVED WITH CONDITIONS**

WHEREAS, reorganization proceedings were initiated by the City of Mendota to annex 17 parcels located in four non-contiguous areas and totaling 463.19 acres to the City of Mendota and detach from the Fresno County Fire Protection District and the Silver Creek Drainage District, for territory located northeast of the City of Mendota between the San Luis Drain and the Fresno Slough, said territory being described within Exhibit "A", attached hereto and by this reference incorporated herein; and

WHEREAS, an application was submitted to this Commission by the City of Mendota as required by State Law, and the application for said proposed reorganization was accepted for filing by the Executive Officer and set for hearing on the 5th day of March, 2008, at the hour of 1:30 p.m.; and

WHEREAS, notice of said hearing was given as required by State Law; and

WHEREAS, the Fresno County Fire Protection District and the City of Mendota have a transition agreement in full force and effect that applies to fire protection services within the affected territory on file with the Commission; and

WHEREAS, a Master Property Tax Sharing Agreement has been entered into between the City of Mendota and the County of Fresno, the responsible local agencies for the exchange of property tax revenues covering this reorganization; and

WHEREAS, the County of Fresno submitted a letter to this Commission stating that the County has determined that the proposed annexation of the affected territory to the City of Mendota is consistent with the Master Property Tax Sharing Agreement; and

WHEREAS, the Executive Officer reviewed the application and prepared a report to this Commission, said report having been mailed at least five days before the public hearing; and

WHEREAS, said report was duly considered by this Commission pursuant to State Law; and

WHEREAS, this Commission reviewed and considered the information in the Initial Study and Negative Declaration, prepared by the City of Mendota, which was included in the Executive Officer's report to this Commission; and

WHEREAS, this Commission considered all relevant factors and evidence and heard all interested parties wishing to speak on said application.

NOW, THEREFORE, BE IT RESOLVED that the Fresno Local Agency Formation Commission does HEREBY STATE, FIND, RESOLVE, DETERMINE, AND ORDER as follows:

Section #1. Acting as Responsible Agency pursuant to California Environmental Quality Act (CEQA) Guidelines, this Commission finds that prior to approving the proposed reorganization the environmental effects of the project as shown in the CEQA documents prepared, adopted, and submitted by the Lead Agency were reviewed and considered, and determine these documents to be adequate pursuant to CEQA Guidelines Section 15096.

Section #2. This Commission finds that the proposed Reorganization is consistent with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 and Fresno LAFCo adopted Policies, Standards and Procedures, and that this action carries out LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities.

Section #3. This Commission assigns the distinctive short form designation "City of Mendota Wastewater Treatment Plant Expansion Reorganization No. 1" and approves the Reorganization (annexation and detachments) subject to the following conditions of approval:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.
2. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.
3. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.
4. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.

5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

Section #4. This Commission finds and determines pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 that:

1. The territory is uninhabited.

2. All landowners and affected agencies have consented to the annexation.

Section #5. This Commission waives further Conducting Authority Proceedings and orders the reorganization (annexation and detachments) subject to the requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, the 30-day reconsideration period, and compliance with all of the above conditions.

Section #6. The Executive Officer is hereby authorized and directed to mail certified copies of this Resolution as provided in Government Code Section 56882 and to file, as appropriate, in the office of the Fresno County Clerk all environmental documents, if any, pertaining to the approval of this Proposal, as required by State law.

Section #7. This Commission's actions approving this reorganization shall expire one year from the date of this Resolution unless all proceedings are complete, including compliance with all conditions of approval, terms and conditions, and the issuance of a Certificate of Completion by the Executive Officer.

Attention: Mr. Michael R. Waiczis, AICP, Executive Officer
Subject: City of Mendota – Annexation of City Owned Property.

Dear Mr. Waiczis:

Garold D. Giersch, P.E. is the City Engineer for the City of Mendota. Giersch & Associates, Inc. has been instructed by Shahid A. Hami, Mendota City Manager, and the City Council to follow-up on a LAFCO application for the Annexation of City Owned Property, submitted by the previous City of Mendota Manager, Keith Woodcock, or by the previous Interim Community & Economic Development Director, Joel Moses.

The enclosed City of Mendota Ordinance No. 02-03 defines the previous action approved by the City Council for the Annexation of the City owned property. Also, please find copies of the Legal Description and Annexation Map entitled, "Waste Water Treatment Facilities Annexation to the City of Mendota, and detachment from Fresno County Fire Protection District" that was to accompany the application.

Please let me know the current status of the City of Mendota application, and the remaining LAFCO requirements that still need to be completed. If you need additional information, do not hesitate to give me a call.

Sincerely,

Giersch & Associates, Inc.

CITY OF MENDOTA

ORDINANCE NO. 02-03

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MENDOTA AMENDING BY PREZONING APPROXIMATELY 175 ACRES OF CITY AND COUNTY OWNED PROPERTY LOCATED AT 2689 BASS AVENUE (CITY WASTE WATER TREATMENT PLANT AND OLD COUNTY LAND FILL) AS PUBLIC FACILITY ON THE CITY'S GENERAL PLAN LAND USE MAP AND TO PREZONE SAID PROPERTY AS PUBLIC FACILITY (P-F) AND THE ANNEXATION OF THE CITY OWNED PROPERTY (Assessors Parcels: Parcel 1: 013-050-30, 013-050-58S, 013-050-59S, 013-050-60S, and 013-050-66S. Parcel 2: 013-050-63S. Parcel 3: 013-050-21. Parcel 4: 013-020-30T)

WHEREAS, the City Council of the City of Mendota has determined that it is in the Public's interest to amend the Official Zone Map of the City of Mendota related to property known as 2689 Bass Avenue (City Waste Water Treatment Plant and Old County Land Fill) in order to be consistent with the City's General Plan and provide for the annexation of the property to the City of Mendota; and,

WHEREAS, the Zoning Ordinance of the City of Mendota allows the Planning Commission to initiate amendments and revisions to the Zoning Ordinance (Section 17.040.070) along with specifically providing for the prezoning of property (Section 17.04.060); and,

WHEREAS, the City of Mendota's Waste Water Treatment Plant at 2689 Bass Avenue is currently not within the city limits of the City of Mendota; and

WHEREAS, the City of Mendota's General Plan Land Use Element does not show or provide a designation for the City's Waste Water Treatment Plant; and,

WHEREAS, the property adjoining the City's Waste Water Treatment Plant is a closed landfill owned by the County of Fresno; and

WHEREAS, the Mendota Planning Commission held a duly noticed public hearing on May 20, 2002, after receiving no comments voted to adopt a resolution recommending to the City Council that site be prezoned as PF (Public Facility), and

WHEREAS, the City based on the actions proposed by the City to annex the property has completed an Initial Study, and a Mitigated Negative Declaration. The Initial Study identified that the environmental effects related to the annexation of the property to the City of Mendota would either be less than significant or would be mitigated to a level of less than significant. No comments were received during the comment period; and,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MENDOTA ordains as follows:

1. The official Zoning Map of the City of Mendota is hereby amended as show on Exhibit A, which is herein incorporated by reference and made a part of Ordinance No. 02-03.

2. At least five (5) days prior to the City Council meeting at which the proposed Ordinance is to be adopted, a summary prepared by the City Attorney, shall be published and circulated in the City of Mendota, and a certified copy of the Ordinance shall be posed in the Office of the City Clerk.

3. Within fifteen (15) days after its adoption, a Summary of the Ordinance, prepared by the City Attorney, together with the names of those City Council members voting for and against the Ordinance, shall be published in a newspaper of general circulation published and circulated in the City of Mendota, and a certified copy posted in the Office of the City Clerk.

4. This ordinance shall take effect thirty (30) days after its passage.

ATTEST:

I, Brenda L. Carter, City Clerk of the City of Mendota do hereby certify that the forgoing ordinance was introduced at a regular meeting of the City Council of the City of Mendota, held on the 23th day of July, 2002, be the following vote:

SUBJECT: *Notice of Intent to File Annexation and Sphere of Influence Expansion in the City of Mendota* (Annexation No. 07-01)

Dear Mr. Bohn:

Pursuant to the MOU between Fresno County and the City of Mendota, I am requesting review of the proposed annexation and sphere of influence applications filed by City of Mendota in compliance with the Standards of Annexation contained in the MOU for the City's Wastewater Treatment Plant Improvement and Expansion Project. On December 11, 2007, the Mendota City Council approved a general plan amendment, pre-zoning and Certification of the Initial Study/Mitigated Negative Declaration by Resolution 07-47 and 07-48 on the project site located adjacent to the City limits and the existing wastewater treatment plant. The 469-acre property is contiguous with the existing city limits along its eastern boundary.

The site is partially within the City's Sphere of Influence and thus for the annexation of the entire City owned acreage to be annexed and utilized for the Wastewater Treatment Plant Expansion area a Sphere of Influence Expansion request is being submitted to LAFCo. Access to the site is provided by Bass Avenue.

Thank you for your assistance. If you have questions, please do not hesitate to contact Bill Skinner, City Planner directly at Valley Planning Consultants (675-8724).

Sincerely,

Gabriel A. Gonzalez,
City Manager

RESOLUTION NO. RO-08-3

FRESNO LOCAL AGENCY FORMATION COMMISSION
FRESNO COUNTY, CALIFORNIA

A REQUEST BY THE CITY OF MENDOTA FOR APPROVAL OF THE "WASTEWATER TREATMENT PLANT EXPANSION No. 1" REORGANIZATION	))))	**APPROVED WITH CONDITIONS**

WHEREAS, reorganization proceedings were initiated by the City of Mendota to annex 17 parcels located in four non-contiguous areas and totaling 463.19 acres to the City of Mendota and detach from the Fresno County Fire Protection District and the Silver Creek Drainage District, for territory located northeast of the City of Mendota between the San Luis Drain and the Fresno Slough, said territory being described within Exhibit "A", attached hereto and by this reference incorporated herein; and

WHEREAS, an application was submitted to this Commission by the City of Mendota as required by State Law, and the application for said proposed reorganization was accepted for filing by the Executive Officer and set for hearing on the 5th day of March, 2008, at the hour of 1:30 p.m.; and

WHEREAS, notice of said hearing was given as required by State Law; and

WHEREAS, the Fresno County Fire Protection District and the City of Mendota have a transition agreement in full force and effect that applies to fire protection services within the affected territory on file with the Commission; and

WHEREAS, a Master Property Tax Sharing Agreement has been entered into between the City of Mendota and the County of Fresno, the responsible local agencies for the exchange of property tax revenues covering this reorganization; and

WHEREAS, the County of Fresno submitted a letter to this Commission stating that the County has determined that the proposed annexation of the affected territory to the City of Mendota is consistent with the Master Property Tax Sharing Agreement; and

WHEREAS, the Executive Officer reviewed the application and prepared a report to this Commission, said report having been mailed at least five days before the public hearing; and

WHEREAS, said report was duly considered by this Commission pursuant to State Law; and

WHEREAS, this Commission reviewed and considered the information in the Initial Study and Negative Declaration, prepared by the City of Mendota, which was included in the Executive Officer's report to this Commission; and

WHEREAS, this Commission considered all relevant factors and evidence and heard all interested parties wishing to speak on said application.

NOW, THEREFORE, BE IT RESOLVED that the Fresno Local Agency Formation Commission does HEREBY STATE, FIND, RESOLVE, DETERMINE, AND ORDER as follows:

Section #1. Acting as Responsible Agency pursuant to California Environmental Quality Act (CEQA) Guidelines, this Commission finds that prior to approving the proposed reorganization the environmental effects of the project as shown in the CEQA documents prepared, adopted, and submitted by the Lead Agency were reviewed and considered, and determine these documents to be adequate pursuant to CEQA Guidelines Section 15096.

Section #2. This Commission finds that the proposed Reorganization is consistent with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 and Fresno LAFCo adopted Policies, Standards and Procedures, and that this action carries out LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities.

Section #3. This Commission assigns the distinctive short form designation "City of Mendota Wastewater Treatment Plant Expansion Reorganization No. 1" and approves the Reorganization (annexation and detachments) subject to the following conditions of approval:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.
2. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.
3. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.
4. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.

5. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

   Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

6. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

Section #4. This Commission finds and determines pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 that:

1. The territory is uninhabited.

2. All landowners and affected agencies have consented to the annexation.

Section #5. This Commission waives further Conducting Authority Proceedings and orders the reorganization (annexation and detachments) subject to the requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, the 30-day reconsideration period, and compliance with all of the above conditions.

Section #6. The Executive Officer is hereby authorized and directed to mail certified copies of this Resolution as provided in Government Code Section 56882 and to file, as appropriate, in the office of the Fresno County Clerk all environmental documents, if any, pertaining to the approval of this Proposal, as required by State law.

Section #7. This Commission's actions approving this reorganization shall expire one year from the date of this Resolution unless all proceedings are complete, including compliance with all conditions of approval, terms and conditions, and the issuance of a Certificate of Completion by the Executive Officer.

FRESNO LOCAL AGENCY FORMATION COMMISSION (LAFCO)
EXECUTIVE OFFICER'S REPORT

AGENDA ITEM NO. 10

DATE: **March 5, 2008**

TO: **Fresno Local Agency Formation Commission**

FROM: **Rick Ballantyne, Executive Officer**
Darrel Schmidt, Deputy Executive Officer

SUBJECT: **Consider Approval: City of Mendota "Sphere of Influence Revision."** A proposed revision to the City of Mendota's Sphere of Influence to add approximately 360 acres located northeast of the City of Mendota between the San Luis Drain and the Fresno Slough, **(LAFCo File No. RSOI-150).**

Consider Approval: City of Mendota "Wastewater Treatment Plant Expansion Reorganization No. 1". A proposed reorganization to annex 463.19 acres of territory located in four non-contiguous areas to the City of Mendota and detach from the Fresno County Fire Protection District and the Silver Creek Drainage District. This territory is located northeast of the city of Mendota between the San Luis Drain and the Fresno Slough **(LAFCo File No. RO-08-3)**.

Applicant: City of Mendota, Gabriel Gonzales, City Manager

Land Owners/Parties of Real Interest: City of Mendota

Background:

- The City of Mendota (the "City") has requested a Sphere of Influence Revision and Reorganization to allow current and future City public facilities to be incorporated within the City. These facilities include the City's sewer treatment plant and wastewater ponding areas, City lift station, City storage yard, City park, and future wastewater ponding area (see location maps). The City of Mendota owns all of the affected territory.

- On December 11, 2007, the City amended its General Plan to re-designate from Agriculture and Industrial to Public Facility use, lands planned for an upgrade to the City's current wastewater treatment facility, as well as lands developed with a sewer lift station, City storage area, and a public park.

- Staff notes that four parcels (61.06 acres) included in the Sphere of Influence Revision and Reorganization proposals, and which are part of the existing wastewater treatment facility, were not indentified for designation as Public Facility use in the City's General Plan amendment. Exclusion of these parcels from the City's General Plan amendment has been identified as an oversight, and is discussed in more detail in the "Consistency with LAFCo Policies, Standards, and Procedures" Section, below.

- The City of Mendota, on December 11, 2007, also pre-zoned major portions of the affected territory from County AE-20 (Exclusive Agriculture, 20-Acres Minimum) and AL-20 (Limited Agriculture, 20-Acres Minimum) Districts to City PF (Public Facilities) District (see Zone Map). Staff notes that four parcels (61.06 acres) included in the Sphere of Influence Revision and Reorganization proposals, and which are a part of the existing wastewater

treatment facility, have not been pre-zoned to City PF District. Exclusion of these parcels from the City's Zoning Ordinance has been identified as an oversight by the City, and is discussed in more detail in the "Consistency with LAFCo Policies, Standards, and Procedures" Section, below.

- The City's wastewater treatment facility has a treatment capacity of 1.24 million gallons per day (mgd). The facility is operating near capacity during peak flow times. In order to accommodate growth within the City as well as provide planned sewage for a future federal prison, additional treatment capacity is necessary. The City proposes to expand the existing facility to the south of the current location. The proposed expansion will increase the treatment and disposal capacity of the facility to 2.5 mgd.

- It should be noted that on October 31, 2000, the California Regional Water Quality Control Board (RWQCB) issued a "Notice of Violation" of the City's Waste Discharge Permit, and issued a "Tentative Cease and Desist Order" on April 1, 2002. Staff has verified that since that time the City has been working with the RWQCB to correct the violation. The proposed expansion and improvements to the wastewater treatment facility are necessary for the City to continue its progress toward compliance with RWQCB requirements.

Proposal / Land Use:

- The City of Mendota is requesting a Sphere of Influence (SOI) Revision to expand its present SOI by approximately 360 acres (see location map). The City has also filed a concurrent Reorganization that will annex 463.19 acres of territory to the City of Mendota (including the majority in the new SOI area) and detachment from the Fresno County Fire Protection District and the Silver Creek Drainage District.

- It should also be noted that the City's Resolution No. 08-09, initiating the SOI Revision and Reorganization, incorrectly identified Kings River Conservation District and Consolidated Irrigation District as districts that would be detached from the affected territories. These two districts are not located within the affected territories. Staff recommends that, as a condition subsequent to the Commission's approval, the City submit a revised Resolution which does not include mention of these two districts prior to completion of the reorganization.

- The affected territory includes four non-contiguous areas with a majority of the affected territory (449.88 acres) located adjacent to and east of the San Luis Drain, south of Bass Avenue, and west of the Fresno Slough.

- The northerly portion of this area is occupied by the City's wastewater treatment facility. The City intends to expand its wastewater treatment facility south of the existing facilities to include 202 acres encompassing treatment ponds, disposal ponds, and appurtenant facilities (see Figure 4).

- The remaining three non-contiguous territories comprise 13.31 acres. As identified on Figure 2, attached, these areas are currently developed with a sewer lift station (0.18 acres), a City storage area (7.58 acres), and a City owned park (5.55 acres).

- These three territories are not located adjacent to the existing City boundary. Annexation of territories not adjacent to the City and less than 300 acres in size (for territories not engaged in reclamation, treatment, or disposal of wastewater) is allowed pursuant to Government Code Section 56742(a), provided the following criteria are met: (1) The affected territories

are located in the same County as the City; (2) The affected territories are owned by the City; and (3) The affected territories are used for municipal purposes at the time Commission proceedings are initiated. The affected territories meet these criteria.

- Surrounding land uses include an airport west of the wastewater treatment facility and a prior County landfill (closed) adjacent to the east. The Fresno Slough is located east of the affected territories. Other adjacent properties are undeveloped. Lands in the vicinity are developed with agriculture.

Environmental Determination:

The City of Mendota prepared an Initial Study to evaluate the potential environmental effects of the proposed reorganization and wastewater treatment plant expansion proposal. The City made a finding that although the proposed project could have a significant effect(s) on the environment, that such effects are not significant since the proponent has revised the project to include mitigation measures to reduce project impacts to a level of insignificance. The City of Mendota filed a Negative Declaration with the Fresno County Clerk on December 17, 2007 (see Environmental Documents).

As a Responsible Agency, the Commission is required to review and consider the City's Initial Study and Negative Declaration prior to taking its action. If the Commission determines that these documents are adequate, pursuant to CEQA, a finding needs to be made that the Commission independently reviewed and considered the information in the Initial Study and the Negative Declaration and that these environmental documents are sufficient on which to make a determination on the proposed reorganization.

It should be noted that staff did route this proposal and a copy of the Initial Study and Negative Declaration to the Regional Water Quality Control Board and Bureau of Reclamation and did not receive any formal comments.

Consistency with LAFCo Policies, Standards, and Procedures

- The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Act) (Govt. Code Sec. 56375(a)) states, *"A commission shall require as a condition to annexation, that a city prezone the territory to be annexed or present evidence satisfactory to the commission that the existing development entitlements on the territory are vested or are already at buildout, and are consistent with the city's general plan."* The Fresno LAFCo's adopted Policy Section 210-13-02 mirrors this requirement.

- Additionally, the Fresno LAFCo's adopted Policy Section 210-02 (Standards for Annexation to Cities and Urban Service Districts) mirrors Section 56375(a) in the Act and states, *"Proposal is consistent with the City or County general and specific plans, including adopted goals and policies."* Consistency with the City's General Plan, therefore, is a requirement for annexation.

- As indicated in the "Background" Section, above, the City has amended its General Plan (Resolution 07-48) to designate the use of the majority of the lands included within these proposals as Public Facility. Four parcels totaling 61.06 acres (APN 013-050-30, 61s, 64s, & 66s) included within the SOI Revision and Reorganization proposals, and which are part of the existing wastewater treatment facility, were not included as part of the General Plan amendment, however. The City indicates that exclusion of these parcels from the General

Plan amendment was unintentional and an oversight. Further, the City states that while these parcels are not identified as Public Facilities on its 1991 General Plan's land use map, they are identified as Public Facilities in the text of the Plan and that they will be identified as Public Facilities in land use maps contained in its 2008 General Plan Update, anticipated to be completed later this year.

- Further, the City states that these four parcels "are developed as the City's existing wastewater treatment plant, have been used as a Public Facility since the 1970's and are considered to be at full build-out" (see letter from Gabriel Gonzales, City Manager, Correspondence and Comments).

- Given this information, staff believes the City has presented sufficient "*evidence satisfactory to the commission that the existing development entitlements on the territory are vested or are already at buildout, and are consistent with the city's general plan"* as required by the Act, and that the proposal can be considered consistent with the City's General Plan, as required by the Commission's Policies, identified above. Staff recommends, however, as a condition of approval, that the City amend its General Plan such that the land use for all parcels included among the affected territories is explicitly identified as Public Facility.

- The Fresno LAFCo's adopted Policy Section 210-13 (Standards for Annexation to Cities and Urban Service District—Pre-Zoning Requirements) sets forth pre-zoning requirements for affected territories. Sections 210-13-01, 02, and 03 state:

> *As a condition to annexation a City is required to pre-zone the territory to be annexed. Prior to submitting an application to the Commission for a proposed annexation the City or petitioners must have pre-zoned the affected territory consistent with that City's General Plan, unless the City meets one of the exceptions, presented in this sub-section below (210-13-01).*
>
> *If any territory included in a proposed annexation to a City is not pre-zoned, to qualify for an exemption from required pre-zoning, the City proponent or petitioners are required to present evidence satisfactory to the Commission that the existing development entitlements on such territory included in the annexation are vested or already at build-out, and are consistent with the City's General Plan (210-13-02).*
>
> *On a case by case basis the Executive Officer shall examine the evidence presented to the Commission by the City proponent or petitioners that territory included in an annexation is exempt from required pre-zoning to determine if such evidence is acceptable. The results of this analysis shall be included in the Executive Officer's report to the Commission (210-13-03)*

As indicated in the "Background" Section, above, the City has pre-zoned the majority of the territory included within the SOI Revision and Reorganization proposals to the City PF (Public Facility) District (Ordinance O7-07). Four parcels totaling 61.06 acres (APN 013-050-30, 61s, 64s, & 66s) included within these proposals, and which are part of the existing wastewater treatment facility, have not been pre-zoned to the City PF District, however. The City indicates exclusion of these parcels from the ordinance which pre-zoned the remainder of the affected territories was an oversight. The City of Mendota has petitioned the <u>Commission to waive the pre-zoning requirement prior to its action</u> for these four parcels, located at the northern portion

of the affected territories (see Figure 3). The City has submitted a letter in support of this request (see letter from Gabriel Gonzales, City Manager, Correspondence and Comments). The City states that these parcels are already developed with its existing treatment facility consistent with its proposal to pre-zone the parcels to City PF.

Staff concurs with the City's request. Staff recommends, as a condition of approval, that prior to recordation of the Certificate of Completion, these four parcels be pre-zoned consistent with the existing and proposed uses on affected territories, consistent with its Ordinance 07-07, and the designation and pre-zoning of the other territories included within the SOI Revision and Reorganization proposals. Such requirement is in accordance with state law requirements. The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 sets forth such standard. The state law does not provide for exceptions to such standards.

- In accordance with LAFCo Policy 102-041-A (2), the City and the Fresno County Fire Protection District have entered an agreement whereby the District provides fire protection services within the City.

- The County of Fresno states that the Proposal is consistent with the Standards for Annexation contained within the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County. The County has determined, however, that the area proposed for annexation includes two areas, totaling approximately 25 acres, that are outside the New Planned Growth Area identified in the MOU. The County states it supports the proposal, but the MOU will need to be amended to reflect the addition of these two areas. (See letter from Mr. Bart Bohn, Fresno County CAO, Correspondence and Comments). Staff has recommended as a condition of approval that prior to recordation, the MOU be amended to include the addition of these areas.

- The affected territories are located adjacent to the Mendota Municipal Airport and within the Airport Land Use Compatibility Plan area. As such, the City's proposal is subject to review for consistency by the Fresno County Airport Land Use Commission (ALUC). On February 4, 2008, the ALUC determined that the designation of the affected territories for Public Facility use and the pre-zoning of the property to the City PF (Public Facility) District was conditionally consistent with the ALUC's Mendota Municipal Airport Land Use Policy Plan. Conditions included such things as limiting trees and structures to a 150-foot height limit, excluding uses which would tend to concentrate population, limiting density of development, and not creating nuisances which might impact aircraft operations. It was determined that the wastewater treatment facility expansion would not conflict with any of these conditions.

- The Proposal, with the recommended conditions, does not conflict with the goals and policies of LAFCo. The proposal is timely, it represents an appropriate action, and would result in orderly land use planning, efficient development patterns and service areas, and does not encourage urban sprawl.

- The Proposal, with the recommended conditions, would carry out LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities.

Accordingly, the proposed reorganization, with the recommended conditions, is consistent with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code 56000 et seq.), and LAFCo Policies, Standards, and Procedures, including, but not limited to, Sections 100 and 200.

Conducting Authority

In light of the fact that the affected territory is uninhabited and that all of the property owners consented in writing to the annexation, the Commission may approve or conditionally approve the Proposal, and waive further Conducting Authority Proceedings.

Recommendation – Sphere of Influence Revision – Approve by Taking the Following Actions:

A. Acting as Responsible Agency pursuant to California Environmental Quality Act (CEQA) Guidelines, find that prior to approving the proposed Sphere of Influence Revision the environmental effects of the project as shown in the CEQA documents prepared, adopted, and submitted by the Lead Agency were reviewed and considered, and determine these documents to be adequate pursuant to CEQA Guidelines Section 15096.

B. Prior to taking its action the Commission finds that a Municipal Service Review has been prepared for the City of Mendota and was approved and adopted on August 22, 2007, pursuant to California Government Code Section 56430.

C. Adopt the required written determinations for the Sphere of Influence Revision and determine that these determinations have been prepared pursuant to California's Government Code, Section 56425(e) (see Exhibit "A").

D. Find that the proposed City of Mendota "Sphere of Influence Revision" is consistent with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 and Fresno LAFCo adopted Policies, Standards and Procedures, and that this action carries out LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities.

E. Find that approval of the requested amendment to the City of Mendota's Sphere of Influence is based on sufficient information as provided to the Commission in the Negative Declaration for the current project, the Municipal Service Review, the Executive Officer's report to the Commission, and all other testimony, evidence and information provided by persons and interested agencies, and is in compliance with State law, including, but not limited to, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

F. Approve the proposed Sphere of Influence Revision (RSOI-150), adding approximately 360 acres to the City of Mendota's Sphere of Influence (Exhibit "B").

Recommendation – Reorganization (annexation and detachments) (RO-08-3) – Approve by Taking the Following Actions:

A. Acting as Responsible Agency pursuant to California Environmental Quality Act (CEQA) Guidelines, find that prior to approving the proposed reorganization the environmental effects of the project as shown in the CEQA documents prepared, adopted, and submitted by the Lead Agency were reviewed and considered, and determine these documents to be adequate pursuant to CEQA Guidelines Section 15096.

B. Find that the proposed Reorganization is consistent with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 and Fresno LAFCo adopted Policies,

Standards and Procedures, and that this action carries out LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities.

C. Assign the distinctive short form designation "City of Mendota Wastewater Treatment Plant Expansion" Reorganization and approve the Reorganization (annexation and detachments) subject to the following conditions of approval:

1. Ownership of land permitting, the reorganization shall include the full existing right-of-way width of adjacent streets.

2. The reorganization shall include the full existing width of that portion of the San Luis Drain, federally owned property, that is adjacent to the affected territories upon a determination by LAFCo Counsel that such property could be included in the annexation. If it is not legally permissible to annex this property, this condition shall be removed.

3. All parcels included within the affected territory shall be designated for Public Facility use in the City of Mendota's General Plan prior to completion (recordation) of the annexation.

4. The entire affected territory shall be pre-zoned to the appropriate District prior to completion (recordation) of the annexation.

5. The New Planned Growth Area identified in the Amended and Restated Memorandum of Understanding (Master Tax Sharing Agreement) between the City of Mendota and the County of Fresno shall be amended to include the entire area proposed for annexation in this proposal prior to completion (recordation) of the annexation.

6. City Resolution 08-09 shall be revised so that reference to Consolidated Irrigation District and Kings River Conservation District are not included in the Resolution.

Note: The City shall provide the Executive Officer with a corrected Resolution No. 07-48, and Ordinance No. 07-07 identifying current Assessor Parcel Numbers as per the County Assessor's Office.

D. Find and determine pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 that:

1. The territory is uninhabited.

2. All landowners and affected agencies have consented to the annexation.

E. Waive further Conducting Authority Proceedings and order the reorganization (annexation and detachments) subject to the requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, the 30-day reconsideration period, and compliance with all of the above conditions.

F. The City of Mendota shall execute an indemnification agreement with the Commission, agreeing to defend, indemnify, and hold harmless the Commission from and against any claims, actions (including those filed by any state or local governmental agency), costs, or damages arising out of or in connection with the Commission's actions related to this matter. The form of such agreement shall be satisfactory to LAFCo Counsel.

DETERMINATIONS PURSUANT TO GOVERNMENT CODE SECTION 56425
For the City of Mendota Sphere of Influence Revision (File No. RSOI-150)

The following Determinations have been prepared pursuant to Government Code Section 56425 *et seq.* with respect to four specific issues required to approve a change to a Sphere of Influence:

1. Present and Planned Land Uses in the Area Including Agricultural and Open-Space Lands.

The City of Mendota has amended its General Plan to designate a significant portion of the revised Sphere of Influence area as Public Facility. Further, it has been found that parcels not specifically identified as Public Facilities on the City's General Plan land use map, can be considered designated as Public Facilities due to their identification as such in the text of the Plan and their established use as a wastewater treatment facility. The requested Sphere of Influence ("SOI") Revision is consistent with the Mendota General Plan. The City of Mendota's existing wastewater treatment facility (105 acres) is located within the expanded SOI. The City plans to expand the existing treatment facility by an additional 97 acres. The remainder of this area is undeveloped. The remaining three non-contiguous territories, totaling 13.31 acres, are developed with a sewer lift station (0.18 acres), a City storage yard (7.58 acres), and a park (5.55 acres). The majority of the affected territories have been pre-zoned from County AE-20 (Exclusive Agriculture, 20-Acre Minimum) District and AL-20 (Limited Agriculture, 20-Acre Minimum) District to City P-F (Public Facility). The remaining affected territories will be pre-zoned to City P-F (Public Facility) prior to completion of the annexation.

Surrounding unincorporated lands are zoned County AE-20 and AL-20. Adjacent City territories are zoned AD (Airport Development) and M-2 (Heavy Manufacturing). Surrounding land uses include, an airport, a closed County landfill, and the Fresno Slough. Land in the vicinity is in agriculture.

2. The Present and Probable Need for Public Facilities and Services in the Area.

The SOI revision (and associated reorganization) will enable the City of Mendota to expand its wastewater treatment facility, which is currently operating near capacity during peak flows. Expansion of this facility is necessary to accommodate anticipated growth within the City and to comply with California Regional Water Quality Control Board Requirements. The SOI revision furthers the County General Plan policies that direct growth to existing cities where infrastructure and a full spectrum of municipal services are available to serve urban development. The majority of the affected territories have been pre-zoned consistent with the City of Mendota's land use designations. The remaining affected territories are required to be pre-zoned to the appropriate district prior to completion of the reorganization.

The Service Plan submitted for this proposal indicates that the wastewater treatment facility, sewer lift station, and City storage yard will not require an increased level of municipal services, and that no personnel are housed at these sites. Fire protection and police protection will be provided through contracts with the Fresno County Fire Protection District and the Fresno County Sheriff, respectively. Services including water, sewer, solid waste, police, and fire are currently provided to the park that is included in this proposal. There will be no changes to service of the park as a result of this proposal.

The SOI revision is timely; it represents an appropriate action by LAFCo, and results in orderly land use planning. The SOI revision encourages and provides planned, well-ordered, and efficient urban development patterns.

3. **The Present Capacity of Public Facilities and Adequacy of Public Services that the Agency is authorized to Provide.**

The SOI revision is in line with LAFCo's purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously provide for the present and future needs of the County and its communities. The Service Plan submitted for the SOI revision indicates that all necessary urban services are available to serve the affected territories. The SOI revision (and associated annexation) will enable expansion of the City's wastewater treatment facility, furthering the County General Plan policies that direct growth to existing cities where infrastructure and a full spectrum of municipal services are available to serve urban development.

4. **The Existence of Any Social or Economic Communities of Interest in the Area if the Commission Determines that they are Relevant to the Agency.**

No social or economic communities of interest appear to inhabit the area affected by this proposal.

Dear ~~Mr. Gonzalez~~ Gabe:

Subject: Notice of Intent to File City of Mendota No. 07-01 (Wastewater Treatment Plant and Sphere of Influence Expansion) Annexation/Reorganization

In accordance with Article II, Section 2.2 of the Amended and Restated Memorandum of Understanding (MOU) between the City of Mendota, Mendota Redevelopment Agency and the County of Fresno, we have reviewed the annexation proposal described in the Notice of Intent letter from you received December 19, 2007. (Because the annexation area is located within the boundaries of the Mendota Municipal Airport, this Notice of Intent letter was held in abeyance pending a determination of consistency required by the Fresno County Airport Land Use Commission [ALUC]). On February 4, 2008, the ALUC determined the land use amendment application and the prezoning for the annexation were conditionally consistent with the Mendota Municipal Airport Land Use Policy Plan.

We have determined that the proposed sphere of influence expansion and annexation proposal within the New Planned Growth Area of the Amended and Restated MOU is consistent with the Standards for Annexation contained in Article IX, Section 9.2 of the MOU. However, there are two areas totaling approximately 25 acres proposed for annexation that are outside of the New Planned Growth Area of the MOU. The County understands that these areas are owned by the City and are proposed to be annexed in order to incorporate an existing City-maintained park and accommodate the City's waste water treatment plant expansion. The County supports this proposal; however, an amendment to the City/County MOU will be needed in order to reflect the addition of these areas. The County supports the City's annexation application on file with LAFCo and the conditional approval pending completion of the amended MOU.

It is recommended that the project area adjoin the existing city limits and the full width street right-of-way of Bass Avenue and full width of the San Luis Drain that has not yet been annexed be included in this annexation.

If you have any questions, you may contact me at (559) 488-1710 or Bernard Jimenez at (559) 262-4497.

Very truly yours,

Bart Bohn

PROPOSAL: City of Mendota "Wastewater Treatment Plant Expansion" and "Sphere of Influence Revision", LAFCo File No. RO-08-3 and RSOI-150

The attached application has been filed for processing with the Local Agency Formation Commission (LAFCo) Office. In accordance with Government Code Section 56386, your agency's assistance in reviewing and commenting on this application is requested. At this time we are requesting information on the following particular factors:

1. County Plan designation for the area:

   The subject annexation area is designated Agriculture and Reserve (Limited Industrial) in the County adopted Mendota Community Plan.

2. Consistency of the proposal with adopted County General and Community Plans and Policies (Section 205-02:3.06 – Fresno County General Plan):

   The County's General Plan encourages the orderly outward expansion of development for expansion proposals where the city has demonstrated need for additional territory. The annexation of those areas identified in the City's Sphere of Influence (SOI) or New Planned Growth Area represents a logical continuation of the existing development pattern within the City's Sphere of Influence and is in conformance with the MOU between the City of Mendota and the County of Fresno.

3. Any pending County plans, projects (i.e. Community Development, roads, etc.) or development permits:

   None.

4. Other related comments:

   On February 25, 2008, the County conditionally-supported the City's annexation application on file with LAFCo; however, an amendment to the City/County MOU will be needed in order to reflect the addition of those areas not covered in the existing or New Planned Growth Area of the MOU.

5. Recommendations:

   In the February 25, 2008, County response letter, it was recommended that project area adjoin the existing city limits, and the full width of right-of-way for Bass Avenue and the full width of the San Luis Drain, not already annexed, be included in the proposed annexation.

In order to proceed with the processing of this application, your comments need to be returned to this office by February 25, 2008. Your assistance is greatly appreciated. Thank you.

Dear Mr. Ballantyne:

PROJECT NO: RO-08-3 & RSOI-150

1. Adequacy and availability of existing and proposed community water and sewer systems:

2. Need for services other than those proposed:

3. Effect of project on air or water quality:

4. Related County plans or projects:

5. Other comments:

- Drinking water which meets state quality standards for public water systems is a precious commodity which must be protected. Existing standards for water well construction and destruction are designed to protect groundwater quality, thereby protecting the public health. The expense associated with proper destruction of a well is infinitesimally small in comparison to the expense of cleaning up contaminated groundwater.

  The Fresno County Department of Community Health is concerned that abandoned water wells are not being properly destroyed, particularly with respect to new development projects. As city boundaries expand, community services are provided to areas originally served only by individual domestic and agricultural wells. Improper abandonment of such wells presents a reason, when development occurs, it is extremely important to ensure the safe and proper destruction of <u>all</u> abandoned water wells.

Prior to destruction of any existing agricultural wells, a sample of the upper most fluid in the well column should be sampled for lubricating oil. The presence of oil staining around the well may indicate the use of lubricating oil to maintain the well pump. Should lubricating oil be found in the well, the oil should be removed from the well prior to placement of fill material for destruction. The "oily water" removed from the well must be handled in accordance with federal, state and local government requirements. Transportation of these materials on public roadways may require special permits and licensure.

The Department of Community Health is available to provide consultation in cooperation with the City of Mendota in order to encourage the proper destruction of wells and safeguard our water quality. City staff may contact Ed Yamamoto, Water Surveillance Program, at (559) 445-3357 for more information.

If I can be of more assistance, please contact me at (559) 445-3357.

City of Mendota
Wastewater Treatment Plant Expansion and Improvement Project

Service Plan

Project Description

The existing wastewater treatment plant has a wastewater discharge permit for 1.24 million gallons per day (MGD). Flows into the plant approach this maximum limit. The project proposes to continue expansion of the plant by completing the second of two phases. The first phase increased the disposal capacity and was constructed in the spring of 2003. The second phase will increase the treatment and disposal capacity to 2.5 MGD and is planned for completion by December 2008.

Phase I of the proposed project has been completed and consisted of construction of two percolation/holding ponds totaling 16.2 acres and 55 acres of spreading basins.

Phase II of the proposed project will consist of:

- Construction of 4 treatment ponds of 4.5 acres each, with mechanical aerators, and 4 facultative/percolation ponds of 4.5 acres each.
- Construction of new headwork's structure, pump station, and standby power.
- Construction of 30 inch sewer interceptor pipeline along west boundary of future disposal area.
- Construction of 150 acres of disposal ponds.
- The existing 26.5 acres of effluent disposal ponds will be rebuilt and cleaned.
- The existing 8.1 acres of oxidation treatment lagoons will be cleaned and converted to effluent disposal ponds.

Service Requirements

Domestic Water

There will not be a need for the extension of domestic water service to implement the proposed improvement and expansion of the existing Wastewater Treatment Plant Facility.

Sanitary Sewer

There will not be a need for the extension of sanitary sewer service to implement the proposed improvement and expansion of the existing Wastewater Treatment Plant Facility.

Fire Protection

The Fire Department is sufficiently manned to serve the area proposed for the Wastewater Treatment Plant expansion.

Emergency Medical Services

The City's emergency medical response contract will not have to be expanded to accommodate the proposed implementation of the Wastewater Treatment Plant Expansion and Improvement Project.

Police Protection

The City of Mendota currently has a contract with the Fresno County Sheriff's Department to provide for all law enforcement services within the City.

Schools

The implementation of the proposed Wastewater Treatment Plant Expansion project will not adversely affect the operations of the Mendota Unified School District.

Parks

The implementation of the proposed Wastewater Treatment Plant Expansion project will not adversely affect the use of any recreational/open space amenity within the City.

Solid Waste Collection

There will not be a need for the expansion of solid waste collect service to implement the proposed improvement and expansion of the existing Wastewater Treatment Plant Facility.

Street Lighting

There will not be a need for the extension of street lighting to implement the proposed improvement and expansion of the existing Wastewater Treatment Plant Facility.

Transit

There will not be a need for the extension of transit service to implement the proposed improvement and expansion of the existing Wastewater Treatment Plant Facility.

Storm Water Drainage

All storm water drainage generated by the project or within the project area will be retained on site in storage basins.

Other Public Facilities

The implementation of the proposed Wastewater Treatment Plant Expansion project will not adversely affect or result in the need for the expansion of other public facilities within the City.

Other governmental and/or public facilities will not be adversely affected by the approval and construction of the proposed project.

Pool Park

The proposed annexation application indicated the incorporation of the "Pool Park" area.

This is an existing park that has been in operation for some time. The proposed annexation would incorporate the area into the City. No expansion or increase in the operations are anticipated for "Pool Park".

The City will continue to provide the services currently in place, including but not limited to:

- Domestic Water
- Sanitary Sewer
- Law Enforcement
- Fire Protection
- Emergency Medical Response
- Storm Water Drainage
- School Impacts
- Solid Waste Collection
- Parks and Recreation
- Transit
- Extension of City Services and Facilities.

Therefore, no changes in the operation and/or level of services currently provided at Pool Park will require expansion and/or increase with the annexation of the facility.

A RESOLUTION OF THE CITY OF MENDOTA CITY COUNCIL CERTIFYING THE INITIAL STUDY AND ADOPTING A MITIGATED NEGATIVE DELCARATION FOR THE MENDOTA WASTEWATER TREATMENT PLANT EXPANSION AND IMPROVEMENT PROJECT

RESOLUTION NO. 07-47

WHEREAS, the City of Mendota Community Development and Engineering Departments have completed environmental review of the proposed new Wastewater Treatment Plant by preparing in accordance to the CEQA Guidelines an Initial Study and Proposed Mitigated Negative Declaration, and;

WHEREAS, a Public Hearing has been advertised and conducted pursuant to Public Resources Code Section 21092 and 21092.3, and public comment has been solicited, and;

WHEREAS, a Notice of Public Hearing was placed in the November 28, 2007 edition of the Firebaugh/Mendota Journal, and a Notice of Public Hearing was posted on the City Hall bulletin window (November 28, 2007), and;

WHEREAS, the Initial Study/Proposed Mitigated Negative Declaration was prepared and distributed by the City of Mendota for a thirty (30) day review period on October 30, 2007, and;

WHEREAS, the comment period of the Initial Study/Proposed Mitigated Negative Declaration terminated on November 30, 2007, and;

WHEREAS, the City Council held the noticed Public Hearing on December 11, 2007 to take testimony with regard to the proposed Initial Study/Mitigated Negative Declaration, and;

WHEREAS, the City Council completed its review of the proposed Wastewater Treatment Plant Expansion and Improvement Project, the associated Initial Study/Mitigated Negative Declaration, and the information contained in the Staff Report and has considered the testimony received during the public hearing process, and;

WHEREAS, the City Council has made the following findings based on the Initial Study/Mitigated Negative Declaration:

1. The City Council has reviewed and considered the City of Mendota Wastewater Treatment Plant Expansion and Improvement Project Initial Study/Proposed Mitigated Negative Declaration.

2. The Initial Study/Mitigated Negative Declaration for the City of Mendota Wastewater Treatment Plant Improvement and Expansion Project has been completed in compliance with the California Environmental Quality Act.

3. The Initial Study/Mitigated Negative Declaration, and all related public comments and responses have been presented to the City Council, and the City Council has reviewed and considered the information contained in the Initial Study/Mitigated Negative Declaration, testimony presented at the public hearings prior to certifying the Initial Study for the Wastewater Treatment Plant Expansion and Improvement Project.

4. The Wastewater Treatment Plant Expansion and Improvement Project Initial Study/Mitigated Negative Declaration reflects the independent judgment of the City Council, acting as lead agency for the project.

NOW THEREFORE BE IT RESOLVED, that the City Council hereby approves and adopts the CEQA Findings and the Mitigated Negative Declaration set forth in Exhibit A and certifies the Initial Study for the Mendota Wastewater Treatment Plant Expansion and Improvement Project.

6. **General Plan Designation:**

According to the City of Mendota General Plan Land Use Designation Map the project site is classified as Agriculture. As part of the project undertaken, the City will be applying for annexation of the project area from the County of Fresno. The General Plan will be amended to designate the project area a Public Facilities (PF)

7. **Zoning:**

According to the City of Mendota Zoning Map (1986), the project site is designated an Agriculture. As part of the project Pre-Zoning of the property will be undertaken to designate the Wastewater Treatment Plant Expansion area as a Public Facilities (PF) District designation.

8. Description of Project:

The existing wastewater treatment plant has a wastewater discharge permit for 1.24 million gallons per day (MGD). Flows into the plant approach this maximum limit. The project proposes to continue expansion of the plant by completing the second of two phases. The first phase increased the disposal capacity and was constructed in the spring of 2003. The second phase will increase the treatment and disposal capacity to 2.5 MGD and is planned for completion by December 2008.

Phase I of the proposed project has been completed and consisted of construction of two percolation/holding ponds totaling 16.2 acres and 55 acres of spreading basins.

Phase II of the proposed project will consist of:

- Construction of 4 treatment ponds of 4.5 acres each, with mechanical aerators, and 4 facultative/percolation ponds of 4.5 acres each.
- Construction of new headwork's structure, pump station, and standby power.
- Construction of 30 inch sewer interceptor pipeline along west boundary of future disposal area.
- Construction of 150 acres of disposal ponds.
- The existing 26.5 acres of effluent disposal ponds will be rebuilt and cleaned.
- The existing 8.1 acres of oxidation treatment lagoons will be cleaned and converted to effluent disposal ponds.

The spreading basins will be removed under Phase II. The finish elevation of the lagoon dikes and treatment plant will be elevated above the FEMA flood elevation established by the County of Fresno and the City of Mendota.

In order to facilitate future expansion areas for the Wastewater Treatment Plant the City of Mendota has purchased a total of 449.88 acres. However, the City's domestic water well field, wastewater treatment plant lift station and pool park are included in the annexation application for a total project area of 463.19 acres.

Furthermore, the purpose of securing the additional adjacent acreage was to ensure that encroachment and/or development of the acreage would not impede the existing and/or future operations of the Wastewater Treatment Plant.

The entire 463.19 acres will be land use designated as Public Facilities and pre-zoned as public facilities.

Background

The City of Mendota owns and operates wastewater treatment and disposal facilities with a permitted capacity of 1.24 MGD. The plant consists of two aerated lagoons for primary treatment and 4 holding ponds for effluent polishing. The plant has 5 disposal ponds and 55 acres of spreading basins for additional disposal. The inflow is measured by a new magnetic flow meter. The existing headwork's is inadequate with respect to flow capacity and solids screening/removal. The plant has experienced capacity and treatment problems for 20 years.

On October 31, 2000 the Regional Water Quality Control Board issued the City of Mendota a Notice of Violation regarding the waste discharge requirements of Order 91-192.

On April 1, 2002, the Regional Water Quality Control Board issued a Tentative Cease and Desist Order to the City of Mendota, Wastewater Treatment Facility.

Based on the provisions included in the Notice of Violation and Cease and Desist Order, the City has prepared plans in accordance with the Regional Water Quality Control Board directives for the expansion and improvement of the wastewater treatment facility. The City is required to meet milestones for phased improvement of the treatment and disposal capacity. The City must continue progress towards compliance with the Cease and Desist Order.

Need and Purpose of the Proposed Project

The present influent flows to the wastewater treatment plant vary seasonally from 700,000 gallons per day in the winter to 1.0 MGD in the summer. The proposed construction of infill lots and land within the city limits will exceed the plant capacity. Future construction of the federal prison and needed housing will also require increased plant and disposal capacity. Even without the proposed construction, the facilities must be expanded and modified to comply with the requirements of the Cease and Desist Order issued by the Regional Water Quality Control Board.

9. **Surrounding Land Uses and Setting:** Briefly describe the project's surroundings.

North:	Existing Wastewater Treatment Plant
South:	Unincorporated land zoned for agriculture
East:	Unincorporated land zoned for agriculture and the Fresno Slough
West:	City Municipal Airport

10. **Other agencies whose approval is required (e.g., permits, financing approval, or participation agreement.)**

Agency	Approval Required
Regional Water Quality Control Board	Permit to operate
Regional Water Quality Control Board	Issuance of a NPDES Permit for grading activities in exceedance of one (1) acre.

Determination:

On the basis of the Initial Study evaluation and comments received:

____ I find that the proposed project COULD NOT have significant effect on the environment, and a NEGATIVE DECLARATION has been prepared.

_X_ I find that although the project could have a significant effect on the environment, there will not be a significant effect in this case because the mitigation measures described on an attached sheet have been added to the project. A NEGATIVE DECLARATION HAS BEEN PREPARED.

____ I find the proposed project MAY have a significant effect on the environment, and an ENVIRONMENTAL IMPACT REPORT is required.

MITIGATION MEASURES

Biological Impacts:

Mitigation Measure IV-A

Giant Garter Snake: To reduce the likelihood of giant garter snake mortality the following measures will be implemented prior to project construction on those portions of the project site within 800 feet of the Fresno Slough Arm of the Mendota Pool:

- Confine construction activities to the late spring, summer and early fall when giant garter snakes are active.
- Remove potential giant garter snake foraging habitat (i.e. bulrush, cattails, dense emergent vegetation) within the construction footprint during the over wintering period when the snakes are not out foraging. Removal of this will occur under the direction of a qualified biologist to ensure that giant garter snakes are not harmed during the process of such activity.
- If trenches are to be dug, into which a snake could potentially fall, construction crews will either fill the trench or provide a slope at one end of the trench of no more than 45 degrees at the end of each workday. Doing so will preclude giant garter snakes from being trapped in the trench after working hours.
- Any pipes in a trench that is to be left open over night must be capped in order to prevent entry by snakes.
- A biological monitor will be present for all subsequent construction activity in areas considered possible habitat for the giant garter snake.

Mitigation Measure IV-B:

Western Burrowing Owl: Site development would potentially result in mortality of burrowing owls, should any be nesting or resident on the site at the time of project construction. Mitigation measures that protect burrowing owls from possible direct mortality or nest failure would be warranted. Therefore, the project applicant will implement the following measures to ensure that burrowing owl mortality from project construction is avoided.

- *Pre-construction Survey:* A pre-construction survey will be conducted by a qualified biologist for Burrowing Owls within 30 days of the on-set of construction. This survey will be conducted according to methods described in the *Staff Report on Burrowing Owl Mitigation* (CDFG 1995). All suitable habitats of the study area will be covered during this survey.
- *Avoidance of Active Nest Burrows:* If pre-construction surveys undertaken during the breeding season (February through August) locate active nest burrows within or near construction zones, these nests, and an appropriate buffer around them (as determined by a qualified biologist) will remain off-limits to construction until the breeding season is over. Setbacks from occupied nest burrows of 100 meters where construction will result in the loss of foraging habitat are required.
- *Relocation:* During the non-breeding season (August through January), resident owls may be relocated to alternative habitat. The relocation of resident owls must be according to a relocation plan prepared by a qualified biologist. Passive relocation will be the preferred method of relocation. This plan must provide for the owl's relocation to nearby lands possessing available nesting and foraging habitat.

Mitigation Measure IV-C

California horned larks: To reduce the likelihood of mortality to nesting California horned larks, the following measures will be implemented prior to the onset of project construction:

- Maintain the site in a condition unsuitable for horned lark nesting. This can be accomplished by planting a crop that creates a dense tall cover (i.e. corn, sorghum, alfalfa, grass hay, etc.) during the breeding season such that horned larks could not breed on the site (this species prefers sparse vegetative cover with a considerable amount of barren ground available).
- Between March 1st and July 31st (the nesting season) have a qualified biologist conduct pre-construction surveys for nesting horned larks within 15 days of the on-set of construction. If no horned larks are nesting on the site, the project may proceed. If horned larks are present, defer construction in areas of nesting activity until the conclusion of the nesting season.
- Confine construction to those months of the year when California horned larks would not nest on the site (August through February).

Mitigation Measure IV-D

Loggerhead Shrike: To reduce the likelihood of mortality to nesting loggerhead shrikes, the following measures will be implemented prior to the onset of project construction:

- Maintain the site in a condition unsuitable for nesting loggerhead shrikes. This can be accomplished by removing all willow trees providing possible nesting habitat for loggerhead shrikes during the non-nesting season;
- Alternatively, have a qualified biologist conduct pre-construction surveys between March 1st and July 31st (the nesting season) for nesting loggerhead shrikes within 15 days of the on-set of construction. If no loggerhead shrikes are nesting on the site, the project may proceed.
- Confine construction to those months of the year when loggerhead shrikes would not nest on the site (August through February).

Implementation and Monitoring:

Implementation: The City shall include implement the above specified mitigation measure through the regulator agencies prior to the initiation of any and/all construction activities pertaining to the project.

Monitoring: The City Engineering Department shall verify issuance of any and all necessary permits required to initiate constructed related activities for the project.

NOTICE OF PUBLIC HEARING

FRESNO LOCAL AGENCY FORMATION COMMISSION (LAFCo)
FRESNO COUNTY, CALIFORNIA

PLEASE BE ADVISED THAT the Local Agency Formation Commission (LAFCo) will hold a public hearing to consider the following:

A. **City of Mendota "Sphere of Influence Revision".** A proposed revision to the City of Mendota's Sphere of Influence to add approximately 360 acres of territory located northeast of the City of Mendota (see location map) and predominately between the San Luis Drain and the Fresno Slough **(LAFCo File No. RSOI-150).**

B. **City of Mendota "Wastewater Treatment Plant Expansion Reorganization".** A proposed reorganization to annex 14 parcels located in four non-contiguous areas and totaling 463.19 acres to the City of Mendota and detach from the Fresno County Fire Protection District and the Silver Creek Drainage District. This territory is located northeast of the city of Mendota (see location map) and predominately between the San Luis Drain and the Fresno Slough **(LAFCo File No. RO-08-3).**

These proposals have been submitted by resolution of the Mendota City Council. The City proposes to expand its Sphere of Influence in order to annex City owned territories that include a pool park, city storage area, a sewer lift station, and wastewater treatment facility. A portion of the territory is proposed for expansion of the City's wastewater treatment facility.

THE PUBLIC HEARING will be held on Wednesday, March 5, 2008 at 1:30 p.m., or as soon thereafter, in the Fresno County Board of Supervisors' Chamber, Room 301, Hall of Records, Tulare and "M" Streets, in downtown Fresno. Interested agencies and individuals are invited to attend this meeting and give public testimony on this item. The staff report for this item will be available five days before the hearing on our Website at www.fresnolafco.org, or for additional information, contact the Commission Office at 2115 Kern Street, Suite 310, Fresno, CA 93721. SUBJECT: REQUEST FOR EXEMPTION TO THE PREZONING REQUIREMENT AS RELATED TO THE CITY OF MENDOTA ANNEXATION NO. 07-02

Dear Mr. Ballantyne:

This is a request for an exemption to the pre-zoning requirements of the Cortese-Knox-Herzberg Local Government Reorganization Act of 2000. The request is made pursuant to Section 210, Subsection 210-13 "Pre-zoning Requirement" of the LAFCO Policies, Standards and Procedures, which permits exemptions to the pre-zoning requirements if the subject property is determined to be at build-out and its development is consistent with the City's General Plan.

The request relates to four properties within the proposed City of Mendota Annexation No. 07-02. The parcels are 013-050-030, 013-050-61s, 013-050-64s, and 013-050-66s. The parcels are identified as Public Facility in the text of the 1991 City of Mendota General Plan, but not identified as such on the land use map. It is however designated as Public Facility in the 2008 City of Mendota General Plan Update, estimated adoption - Spring 2008. In addition, the parcels are developed as the City's existing wastewater treatment plant, have been used as Public Facility since the 1970's and are considered to be at full build-out.

Based on the above information, the City of Mendota requests that LAFCO grant an exemption to the pre-zone requirement for the above noted parcels. If the exemption is granted for the parcels, upon annexation, they would be zoned Public Facility

7. Comments:

a) If the legal description or map is revised for any reason, the date revised must be shown on the same.
b) Requirements for map and legal can be viewed at the following website; http://www.boe.ca.gov/proptaxes/sprdcont.htm.
c) Map and Legal must be formatted in accordance with SBE requirements. Courses must be numbered (not paragraph style) and maps must correspond in a clockwise fashion.
d) Proposal Name must be consistent on all documentation. Both the map and legal must bear the same name as the City Annexation Application.
e) The map and legal are not consistent with the City Annexation Application since they do not state the same Agencies for Detachment and Attachment. (See annotation on copies).
f) The map (Sheets 1 thru 6) appears to have been modeled on outdated APN information. (Please see copies of our attached Assessor pages for correct APN numbers and shape files within the Proposal Area).
g) The proposal areas – Parcels 2, 3, & 4 create islands of city owned property. Bass Ave. will remain in the county with parcels on both sides being within the city. Recommend either deleting parcels 2, 3 & 4, or adding areas to make it contiguous to the existing City Limit boundaries.
h) APN 013-050-67S will have to be split if existing boundary is approved. Recommend expanding proposal area to include all of APN 013-050-67S.

AGENCY CONSENT FOR WAIVER OF PROTEST HEARING "WASTEWATER TREATMENT PLANT EXPANSION", LAFCo AGENCY NO. RO-08-3 AND "SPHERE OF INFLUENCE REVISION", LAFCo AGENCY NO. RSOI-150

PLEASE BE ADVISED that all affected local agencies that will gain or lose territory as a result of this proposed annexation or reorganization must consent in writing to a waiver of protest proceedings or this proposal will automatically be scheduled for a protest hearing (Gov Code Sec 56663(d)).

The written signature of an authorized official of your agency is necessary to preclude the scheduling and holding of a protest hearing. If you sign this waiver now and circumstances change, you may rescind this waiver and request protest proceedings at any time prior to and/or at the public hearing for this item.

If you are unable to sign this waiver we would appreciate an explanation outlining your reasons and/or a written statement summarizing the reasons your agency wishes LAFCo to hold a protest hearing for this proposal. In either case, if you do not sign this waiver your presence at its scheduled LAFCo hearing and following protest hearing is requested.

As representative of the **Fresno County Fire Protection District,** an affected agency, the signature below serves as consent for the Fresno Local Agency Formation Commission to waive Protest Proceedings for this reorganization pursuant to Section 56663 (If 100% of the landowners have consented to the proposed annexation).

Please return this form and any comments by February 19, 2008. Thank you.

NOTICE OF INCOMPLETE APPLICATIONS

DATE: **January 31, 2008**

TO: **Gabriel Gonzalez, City Manager, City of Mendota**

FROM: **Rick Ballantyne, Executive Officer**

SUBJECT: **"City of Mendota Wastewater Treatment Plant Expansion Program" and "Sphere of Influence Revision"**

Please be informed that the Fresno Local Agency Formation Commission (LAFCo) received your application materials for the wastewater plant expansion listed above on January 30, 2008. Following a review of your application materials we find this application to be incomplete. We have provided a list of the items that are needed to complete your applications (see marked items below).

After receiving an application the Executive Officer is allowed 30 days to determine whether the application is complete and acceptable for filing or whether the application is incomplete. A "complete" application is one that has been submitted in the form prescribed by the Commission and containing all of the information and data required pursuant to State law.

When an application is accepted for filing, the Executive Officer issues a Certificate of Filing to the applicant. From the date of issuance of a Certificate of Filing an application shall be deemed filed. If an application is determined not to be complete, the Executive Officer is required to transmit that determination to the applicant specifying those parts of the application which are incomplete and the manner in which they can be made complete.

Following the issuance of the Certificate of Filing, the Executive Officer will proceed to set the Proposal for hearing and give published notice. The hearing must take place within 90 days after issuance of the Certificate of Filing. Gov. Code sections 56652, 56653, 56654, 56700 *et seq.*

- **The Application and Resolution needs to be revised to indicate detachment from the Fresno County Fire Protection District and Silver Creek Drainage District.** (The Kings River Conservation District and Consolidated Irrigation District do not serve this area. Please refer to maps locations on our website at www.fresnolafco.org.).

- **Please submit a separate application for the Sphere of Influence Revision.**

- **Letter from Bart Bohn stating the proposal is consistent with the City/County MOU.**

- **Please provide a copy of the Service Plan and Environmental documents on a disc.**

- **All agencies gaining or losing territory must provide a waiver of protest proceedings in writing. While this office will notify these agencies and request each agency to sign a waiver of protest proceedings with regard to this proposal, if such signed statement is not received by this office prior to the scheduled hearing a Protest Hearing will be required (if approved). Proponents may wish to request such a statement from each affected agency and submit an original copy to this office. Please remember that the Fresno County Fire Protection District and Silver Creek Drainage District are affected agencies and must submit signed written waivers of protest proceedings.**

  You have indicated that the affected territory is uninhabited (under 12 registered voters). How this proposal is legally noticed and the statutes regulating Conducting Authority Proceedings (protests) may change should the Elections Division determine the territory to be inhabited.

Your application materials will be returned if we do not receive the necessary items listed above to complete your application in 30 days **(February 29, 2008)**. The items needed to complete your application may change depending on comments from affected agencies and responses to requests for information from County departments, responsible and interested agencies. Regardless of the date of submission, this proposal will not be scheduled for public hearing until the Executive Officer issues a Certificate of Filing. In order to have your request considered by the Commission, your application must be determined to be complete before the date necessary for submission of the legal notice to the publisher. You will be scheduled for the next LAFCo hearing available following the issuance of a Certificate of Filing and required legal noticing.

Thank you.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENDOTA APPROVING THE ADOPTION OF A RESOLUTION OF APPLICATION FOR ANNEXATION AND SPHERE OF INFLUENCE EXPANSION NO. 07-02 AN ANNEXATION TO THE CITY OF MENDOTA AND DETACHMENT FROM THE KINGS RIVER CONSERVATION DISTRICT, THE SILVER CREEK DRAINAGE DISTRICT, THE CONSOLIDATED IRRIGATION DISTRICT, AND THE FRESNO COUNTY FIRE PROTECTION DISTRICT

RESOLUTION NO.08-09

WHEREAS, at a regularly held meeting on December 11, 2007, the Mendota City Council did consider Annexation No. 07-02 for the City of Mendota Wastewater Treatment Plant Expansion and Improvement Project pursuant to the Local Government Reorganization Act of 2000 for the purpose of sphere of influence expansion and annexation to the City of Mendota and detachment from the Kings River Conservation District, the Consolidated Irrigation District, and the Fresno County Fire Protection District; and

WHEREAS, the City Council determined that the proposal is consistent with the Mendota General Plan, as amended. The General Plan designates the area of reorganization for urban uses as Public Facilities and the territory has been Pre-Zoned Public Facilities, consistent with the land use designation; and

WHEREAS, the boundaries of the territory proposed for reorganization are set forth in Exhibit "A" and "B" attached hereto and by this reference incorporated herein Fresno County Assessor's Parcel Numbers,013-020-30T, 013-030-56S, 013-050-21, 013-050-30, 013-050-58S, 013-050-59S, 013-050-60S, 013-050-61S, 013-050-62S, 013-050-63S, 013-050-64S, 013-050-65S, 013-050-66S, 013-050-67S ;and

WHEREAS, this proposal also requires the expansion of the adopted Sphere of Influence of the City of Mendota and is adjacent to the City Limits of the City of Mendota; and

WHEREAS, the City has completed an Initial Study/Mitigated Negative Declaration and has determined that the proposal will not have an adverse effect on the environment and, therefore, a no EIR has been prepared for the project; and

WHEREAS, the Initial Study and Mitigated Negative Declaration contains no evidence that the proposal will individually or cumulatively have an adverse effect on wildlife resources as defined by Section 711.2 of the Fish and Game Code; and

WHEREAS, said proposal is made to facilitate urban development as planned

by the Mendota General Plan and to achieve stated community goals and objectives for providing municipal wastewater collection, treatment and disposal that will enable the City to foster and promote needed housing while assuring that growth occurs in an orderly manner.

NOW, THEREFORE, BE IT RESOLVED that the Mendota City Council hereby adopts the Resolution of Application, to be forwarded to the Fresno Local Agency Formation Commission, requesting that proceedings be conducted pursuant to the Local Government Reorganization Act of 2000 for Sphere of Influence and Annexation No 07-02.

MEMORANDUM

DATE: December 11, 2007

TO: His Honor the Mayor and City Council

FROM: Bill Skinner, Community Development Director

RE: Pre-Zoning Ordinance – Wastewater Treatment Plant Annexation

RECOMMENDATION

The City Council at their regularly scheduled meeting of December 11, 2007 adopted Resolution No. 07-47 approving the Wastewater Treatment Plant Annexation, Sphere of Influence Expansion, General Plan Amendment, Certified the Initial Study and Adopted the Mitigated Negative Declaration which authorized staff to prepare and initiate the Pre-Zoning Ordinance.

BACKGROUND

As part of the process for annexation into the City of Mendota, the City Council must adopt an Ordinance Pre-Zoning the entire area from Agriculture (AG) and Heavy Industrial (HI) to PF (Public Facilities District) as shown on Exhibit A of the Pre-Zoning Ordinance, attached hereto.

During the December 11, 2007 meeting by the adoption of Resolution No. 07-47 approving Wastewater Treatment Plant Expansion Project, the City Council has previously determined that the application for Pre-Zoning is consistent with the provisions of the City of Mendota General Plan, Land Use Elements and Government Code Section 65860.

ACTION

Introduction, First Reading and Scheduling of Public Hearing for January 8, 2008 on Ordinance No. 07-07 An Ordinance of The City Council of The City of Mendota Amending the Official Zoning Map of the City of Mendota by Pre-Zoning Parcels:
