AGENDA ITEM NO. 10

**DATE:** November 14, 2018

**TO:** Fresno Local Agency Formation Commission

**FROM:** David E. Fey, Executive Officer 

**BY:** Juan Lara, LAFCo Analyst II

**SUBJECT:** Informational Item: Update on Inactive Special District list sent from the State Controller in Accordance with SB 448.

**RECOMMENDATION:** Receive and File

**Briefing**

The State Controller's Office (SCO) has issued its inaugural list of inactive districts pursuant to SB 448. Every year hereafter, the Controller shall create a list of special districts that are inactive as defined in Government Code (GC) sec.56042, based upon the financial reports received by the SCO pursuant to GC sec. 53891.

GC sec. 56042 now defines "inactive district" as a special district that meets all of the following:

- (a) The special district is as defined in Section 56036.
- (b) The special district has had no financial transactions in the previous fiscal year.
- (c) The special district has no assets and liabilities.
- (d) The special district has no outstanding debts, judgments, litigation, contracts, liens, or claims.

The SCO has created a list of special districts that are inactive based on not receiving a report of all the financial transactions of the local agency during the preceding fiscal year. The SCO has provided Fresno LAFCo with the following list of inactive special districts: (See attached maps.)

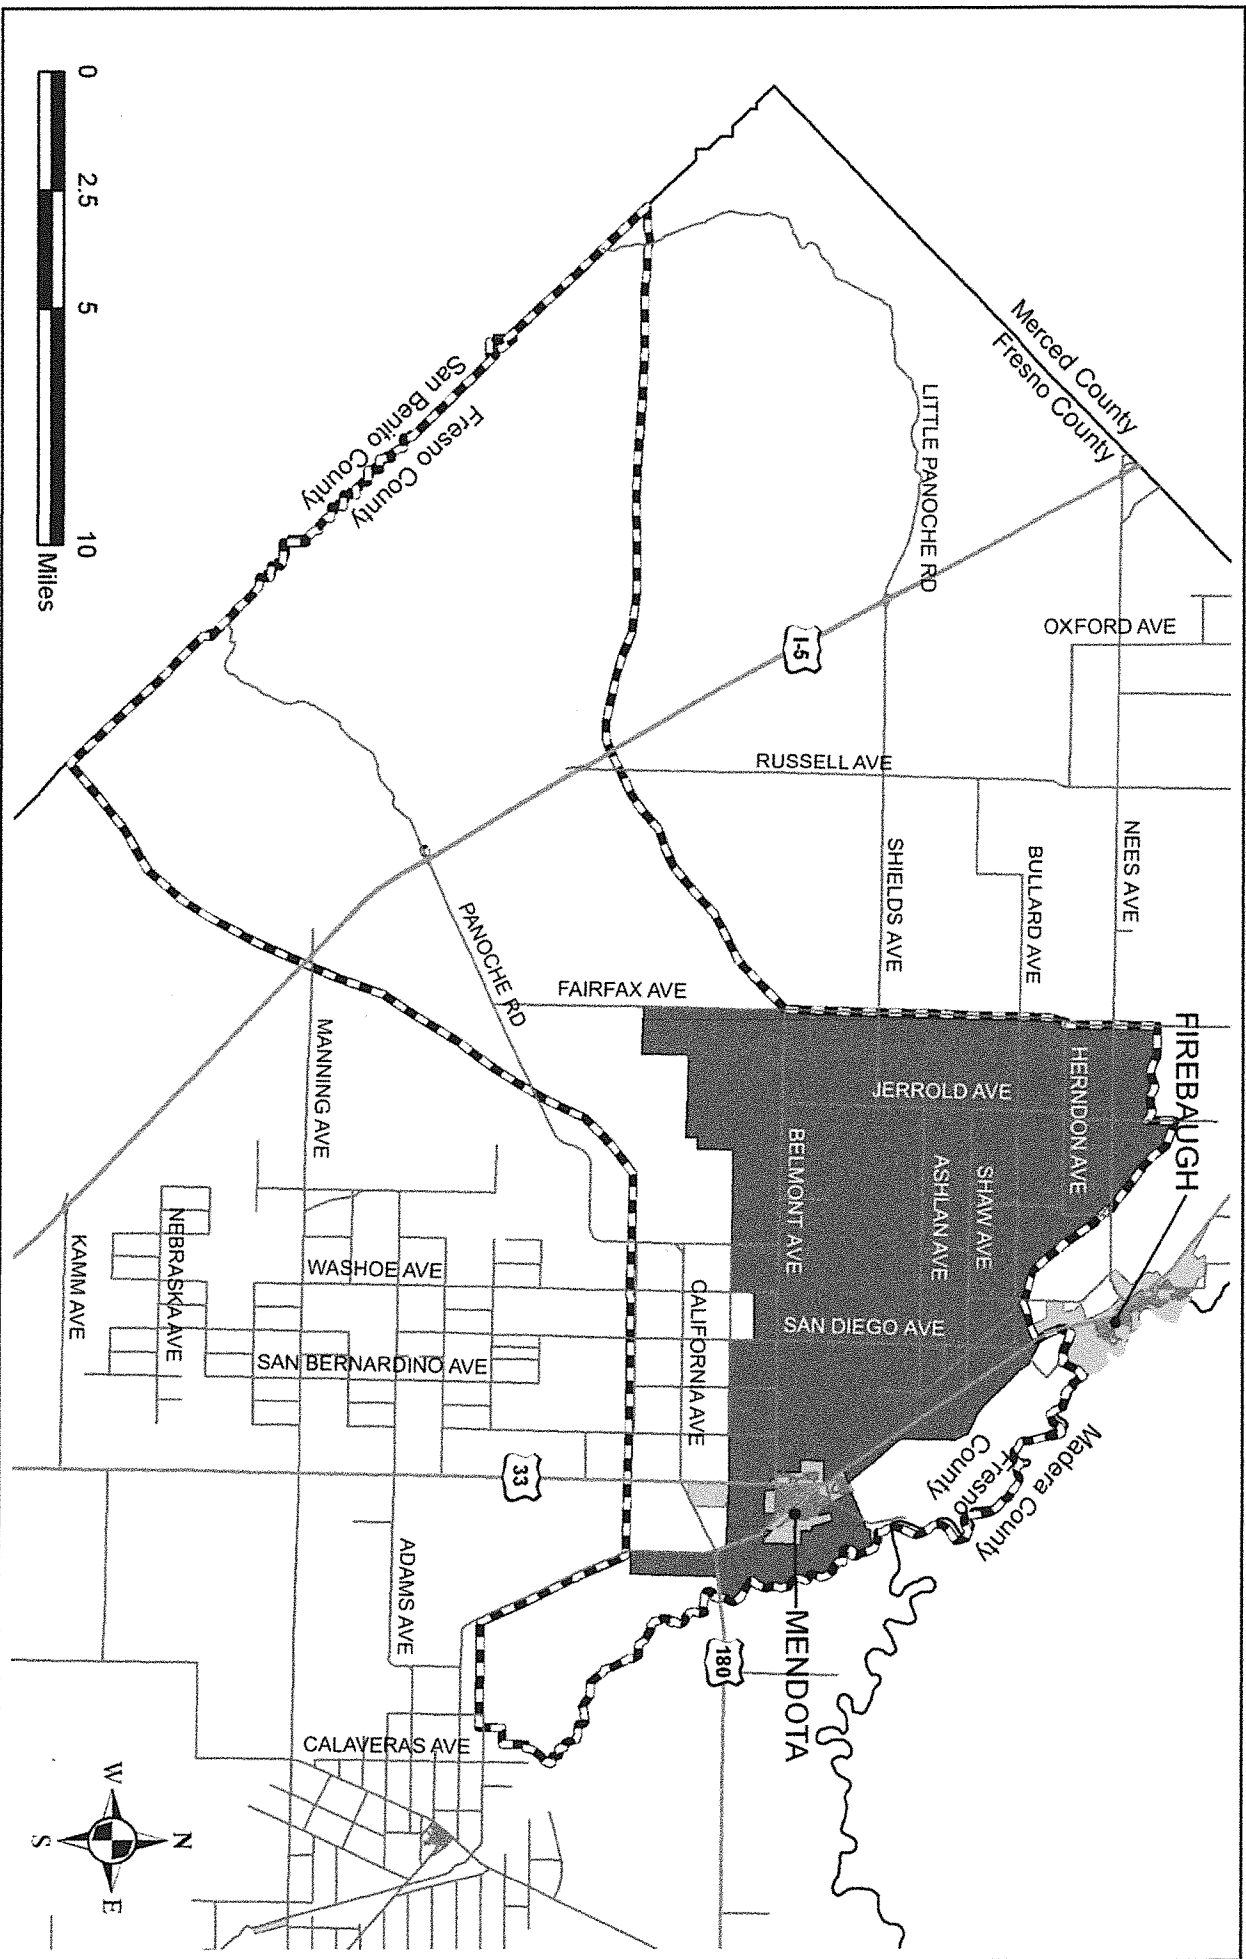

- Silver Creek Drainage District
- Firebaugh Resource Conservation District
- Poso Recourse Conservation District
- County Service Area No.18

**Next Steps**

Staff will verify each district's inactivity including, but not limited to, the criteria of SB 448 and will return within 90 days with its preliminary findings and recommendations. Based on this report, the Commission shall initiate dissolution of these inactive districts by resolution unless

the Commission determines that the District does not meet the criteria set forth in GC sec. 56042. The Commission shall hold one public hearing on the matter of the dissolution of an inactive district no more than 90 days following the adoption of the resolution initiating dissolution.
