DIRECTORY

Fresno LAFCo

This special district directory is provided as a courtesy and may be used in order to acquire information regarding special districts under the jurisdiction of the Fresno Local Agency Formation Commission. LAFCo's special district directory includes special district names, points of contact including emails, phone numbers, and mailing addresses.

Agency maps and the latest Municipal Service Review for the appropriate special districts are also made available for your convenience. Please contact the special district if you should wish to obtain additional information.

The Fresno Local Agency Formation Commission (LAFCo) is a State-mandated, independent agency with countywide jurisdiction over changes in organization and boundaries of cities and special districts including annexations, detachments, incorporations, and formation of new special districts. The Cortese-Knox-Hertzberg Local Reorganization Act of 2000 establishes procedures and responsibilities for the LAFCos. As a regional planning agency, LAFCo plans through its adoption of spheres of influence (SOI) for each agency under its purview, and updates each SOI through the Municipal Service Review Program. Through its various authorized powers, LAFCo remains connected with the various special districts listed below.

Directory contact information is updated on an as-needed basis. Please call or email LAFCo staff with any information update requests at (559) 600-0604.
